CONFERENCE

# BRIDGING THE GAP:

Integrating clinical care and public health to improve patient outcomes

SEPTEMBER 11 & 12, 2023 | THE COLLEGE OF SAN MATEO THEATER

Presented by San Mateo County Health, Public Health, Policy and Planning Division, Communicable Disease Control Program with support from the San Mateo County Medical Association.

## ACCREDITATION

### Accreditation Statement:

ACCMA is accredited by the California Medical Association (CMA) to provide continuing medical education.

### Credit Designation Statement:

ACCMA designates this live activity for a maximum of 1.0 AMA PRA Category 12 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Nurses:

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credits*<sup>™</sup> issued by organizations accredited by Accreditation Council for Continuing Medical Education (ACCME). For the purpose of relicensure, the California Board of Registered Nursing accepts *AMA PRA Category 1 Credits*<sup>™</sup> (report the number of hours of credit and fill in "CME Category 1" for the provider number).

### Physician Assistants:

The American Academy of Physician Assistants (AAPA) accepts *AMA PRA Category 1 Credits*<sup>™</sup> from organizations accredited by ACCME. The National Commission on Certification of Physician Assistants (NCCPA) states that *AMA PRA Category 1 Credits*<sup>™</sup> are acceptable for continuing medical requirements for recertification.

### Additional Information:

**Jennifer Mullins,**  
Associate Director of Education  
and Events, Alameda-Contra Costa  
Medical Association

The San Mateo County Health System and San Mateo County Medical Association present the **2023 Peninsula Infectious Diseases Conference**. This educational event emphasizes the latest clinical and public health guidance for the prevention, diagnosis, and treatment of adult and pediatric infectious diseases under the theme of **Bridging the Gap: Integrating Clinical Care and Public Health to Improve Patient Outcomes**.

## TARGET AUDIENCE

This activity is intended for obstetricians, gynecologists, pediatricians, family physicians, internists, physician assistants, nurse practitioners, nurses, public health practitioners, and other health professionals who are involved in the care of patients with adult and pediatric infections.

## LEARNING OBJECTIVES

After participation in this event, attendees will be able to:

1. Appropriately screen for, test, and treat pediatric and adult infections in line with the most recent California Department of Public Health (CDPH) and Centers for Disease Control and Prevention (CDC) guidelines.
2. Interpret and apply the most recent Advisory Committee for Immunization Practices (ACIP) adult and pediatric vaccine recommendations and guidelines.
3. Identify regional systems-level resources and strategies for enhanced information-sharing and coordination.
