

Dear Resident,

It won't take much of your time to make a big difference! Your household has been randomly selected to participate in the 2023 State of California Community Assessment Survey for Older Adults. Your participation in this survey is very important—your answers will help us understand the contributions that adults 55+ make to their communities and the needs they have.

You can wait for a paper survey to arrive in a few days or go online now and complete the confidential survey using the link below.

Please do not share your survey link. This survey is for randomly selected households only. The State will conduct a separate survey that is open to all residents just a few weeks from now.

If you need any technical support in accessing the survey, please email us at: casoa@polco.us. For any other questions about the survey, please call 916-970-9948.

Thank you for helping create a better community!
