

Body Art Program Bloodborne Pathogens (BBP) Training Resources

Bloodborne Pathogens (BBP) Exposure Control Training which meets Cal/OSHA’s BBP Standard 8 CCR 5193 and specified in California’s H&S Code Safe Body Art Law Section 119307 is required for persons who may be exposed to BBP while performing their routine work functions. This includes, but not limited to: tattoo artists, permanent cosmetics professionals, and body piercers. Additionally, the training and training material must be specific to performing body art. BBP training contact time must meet a minimum of 2 hours. Training must be renewed annually. Records must be kept for a minimum of 3 years.

If you are a BBP training provider that would like to be approved, please contact us at the phone number listed above. You will be required to provide the following:

- 1) the course synopsis** (*The course must be tailored to the body art industry*)
- 2) the course's interactive capability between student and instructor and**
- 3) a written signed statement under penalty of perjury that the course will meet or exceed the requirements of AB300 Section 119307 (c).**

This list of BBP online training courses below are in compliance with California’s H&S Code Safe Body Art Law Section 119307 (c) and are approved by San Mateo County for Practitioner Registration Purposes.
