

# Immigrants: At the Crossroads

## For the Filipino Community

Learn about your health care rights and how potential changes in immigration laws may impact you and your family.

As a follow up to the March 25 forum, please join the Filipino Mental Health Initiative, St. Andrew Social Justice Ministry and experts in immigration and health care rights to learn more about local resources available to you and your family.

### Forum topics:

- What health care rights do you have regardless of immigration status?
- What types of public benefits (i.e., Medi-Cal, Cal Fresh, SSI) are considered public charge?
- How social benefits impact your personal assets (Medi-Cal Estate Recovery).
- Potential changes in the laws related to family sponsored immigration and employment based immigration.
