

SAN MATEO COUNTY APPROVED LIST OF CERTIFIED BACKFLOW PREVENTION TESTERS

(LISTED BY BUSINESS CITY LOCATION)

REVISED 12/22/2016

This is a list of San Mateo County-certified Backflow Prevention Assembly Testers. Backflow prevention assemblies within the San Mateo County Cross Connection Control Program must be tested by a County-certified tester. For a list of which water purveyors are in the San Mateo County Cross Connection Control Program, please visit our website: <http://smchealth.org/crossconnection>.

All testers and companies represented on this list are contractors independent of San Mateo County
