SECTION I – GENERAL INFORMATION

A. STATEMENT OF INTENT

As outlined in more detail in Section II – Scope of Work, this Request for Proposals (RFP) seeks a provider for Therapeutic Behavioral Services (TBS) and Crisis Response In-Home Stabilization Program services for San Mateo County youth who: 1) are full scope Medi-Cal beneficiaries under the age of 21 years; 2) meet Mental Health Plan medical necessity criteria; and 3) are members of the certified class and meet the criteria for needing this service as defined in this RFP. The target population to be served by this RFP will be those youth who, without this service, would require a more restrictive level of residential care.

This RFP is for organizational providers only. Organizations responding to this RFP may respond to one or both of the services noted above. The services proposed must demonstrate a collaborative team approach. If a response is prepared for more than one service, each service will be considered on its own merit, independently of the other services.

C. THE REQUEST FOR PROPOSAL PROCESS

This RFP seeks the submission of proposals to provide services from any and all interested and qualified proposers. The County of San Mateo seeks by way of this RFP to obtain the listed services in a manner that maximizes the quality of services while also maximizing value to the County and, by extension, the citizens of the County. Proposers must be able to show that they are capable of performing the services requested. Such evidence includes, but is not limited to, the respondent's demonstrated competency and experience in delivering services of a similar scope and type and local availability of the proposer's personnel and equipment resources.

SECTION II – SCOPE OF WORK

A. DESCRIPTION

- I. Therapeutic Behavioral Services
 1. General Description of Services

- a. Therapeutic Behavioral Services (“TBS”) are one-to-one therapeutic contacts between a mental health provider and a beneficiary for a specified short-term period of time that are designed to maintain the child/youth’s residential placement at the lowest appropriate level by resolving target behaviors and achieving short-term treatment goals. A contact is considered therapeutic if it is intended to provide the child/youth with skills to effectively manage the behavior(s) or symptom(s) that are the barrier to achieving residence in the lowest appropriate level.
- b. The person providing TBS is available on-site to provide individualized one-to-one behavioral assistance and one-to-one interventions to accomplish outcomes specified in the written treatment plan. A necessary component of this service activity is having the staff person on-site and immediately available to intervene for a specified period of time. The expectation is that the staff person will be with the child/youth for a designated time period which may vary in length and may be up to twenty-four (24) hours a day, depending upon the needs of the child/youth. Services shall be available up to twenty-four (24) hours a day, seven (7) days a week as approved.
- c. Two important components of delivering TBS include the following:
 - i. Making collateral contacts with family members, caregivers, and others significant in the life of the beneficiary; and
 - ii. Developing a plan clearly identifying specific target behaviors to be addressed and the interventions that will be used to address the target behaviors.
- d. Contractor shall provide TBS approved by the BHRS Deputy Director of Child and Youth Services or designated TBS coordinator, to clients up to age twenty-one (21). These services shall be provided to full scope Medi-Cal beneficiaries.
- e. County reserves the right and authority to set additional higher or more specific standards necessary to manage the delivery of TBS than those set by the State of California.
- f. TBS services are not reimbursable on days when Inpatient Services in an acute hospital or Psychiatric Health Facility Services are reimbursed, except for the day of admission to those services.

2. Eligibility Criteria

TBS services shall be offered in a manner that is compliant with requirements for Medi-Cal reimbursement. To qualify for Medi-Cal reimbursement for TBS, a child/youth must meet the Criteria in Paragraphs a, b, and c below.

- a. Eligibility for TBS – must meet criteria (i) and (ii).
 - i. Full-scope Medi-Cal beneficiary, under twenty-one (21) years, AND
 - ii. Meets State medical necessity criteria for Medi-Cal Program.
- b. Member of the Certified Class – must meet criteria (i), (ii), (iii)
 - i. Child/youth is placed in a Short Term Residential Treatment Program (STRTP) and/or a locked treatment facility for the treatment of mental health needs which is not an Institution for Mental Disease which disqualifies them from receiving federally reimbursed Medi-Cal services; or
 - ii. Child/youth has undergone at least one emergency psychiatric hospitalization related to his/her current presenting disability within the preceding twenty-four (24) months; or
 - iii. Child/youth previously received TBS while a member of the certified class.
- c. Need for TBS – must meet criteria (i) and (ii).
 - i. The child/youth is receiving other specialty mental health services, and
 - ii. It is highly likely in the clinical judgment of the mental health provider that without the additional short-term support of TBS that:
 - 1) The child/youth will need to be placed in a higher level of residential care, including acute care, because of a change in the child/youth's behaviors or symptoms which jeopardize continued placement in current facility; or
 - 2) The child/youth needs this additional support to transition to a lower level of residential placement. Although the child/youth may be stable in the current placement, a change in behavior or symptoms is expected and TBS are needed to stabilize the child in the new environment. (The MHP or its provider must document the basis for the expectation that the behavior or symptoms will change.)

3. TBS Assessment Process

Contractor will have up to thirty (30) days to complete a TBS Assessment. A TBS Assessment is the initial assessment and plan development of a child/youth referred for TBS services. A TBS Assessment, including functional analysis and TBS Client Plan, must be completed. This period at the beginning stage of TBS includes giving immediate assistance to the child/youth and parent/caregiver to relieve stress and avoid crisis, while gathering valuable information on the function and intensity of the behavior in the environment where it occurs. Detailed requirements and formats for TBS Assessments and TBS Client Plans are described below in Paragraphs I.A.7. and I.A.8.

4. TBS Discharge Process

Contractor shall discuss termination of services with the primary therapist, child/youth, and family/caregivers prior to termination of services. During the thirty (30) days prior to termination of TBS, Contractor shall discuss the termination and its impact on the child/youth and family/caregivers with the primary therapist, child/youth, and family/caregivers. Contractor shall establish a setback prevention and response plan. Contractor shall complete a discharge summary documenting the discussion process with primary therapist, child/youth, and family/caregiver, the reason(s)/rationale for termination, and a transition plan that includes a setback prevention and response plan.

5. During both the assessment process and at time of discharge, Contractor shall complete a Level of Care Utilization Score (CALOCUS) in order to assess the clinical needs of client to determine the appropriate intensity of care and to provide outcome measurement data at the time of discharge.

6. TBS Utilization Request and Review Process

Contractor shall request payment for TBS from the County. Approval is required in advance of the provision of TBS included in the utilization request form. Services will be approved by the BHRS Deputy Director of Child and Youth Services or designated TBS coordinator.

- a. Initial Utilization Request may not exceed ninety (90) days. However, it may be approved for less days as deemed necessary by the Deputy Director of Child and Youth Services or designated TBS Coordinator. The contractor must submit the following required elements at the time of the Initial Review:
 - i. Initial TBS Assessment, which must address target symptom(s) or behavior(s), including a functional analysis;
 - ii. TBS Client Plan, which must include at least one (1) TBS intervention. The TBS Client Plan must meet the criteria as set forth in Paragraph I.A.8;
 - iii. Progress notes for each TBS service provided. Documentation requirements for progress notes are set forth in Paragraph I.A.9.

- b. Ongoing Utilization Requests
 - i. Ongoing utilization request may not exceed ninety (90) days. However, utilization reviews may occur more frequently as deemed necessary by the Deputy Director of Child and Youth Services or designated TBS Coordinator.
 - ii. Continuation of services will be based upon a progress summary that includes clear documentation of:
 - 1) Client progress toward specific goals and timeframes of TBS Client Plan.
 - 2) Provision of interventions to address specific goals and target behaviors.
 - 3) Strategy to decrease intensity of services, initiate transition plan, and/or terminate services when TBS has promoted progress toward measurable outcomes identified in the TBS Client Plan; or client has reached plateau in benefit effectiveness.
 - 4) If applicable, lack of client progress toward specific goals and timeframes in TBS Client Plan, and changes needed to address the issue(s). If the TBS being provided has been ineffective and client is not progressing toward identified goals, possible treatment alternatives, and the reason that only additionally requested TBS will be effective, and not identified alternative(s).
 - 5) Significant changes, challenges, and or obstacles to client environment and progress.
 - 6) Review and update of TBS Client Plan to address new target behaviors, interventions and outcomes as necessary and appropriate; and as necessary significant changes to client environment (e.g., change of residence).

- a. TBS Assessments must be done initially and are part of a separate process to determine the need for TBS. The TBS Assessment must be completed using a format provided and approved by the County. The TBS Assessment must identify that client:
 - i. Meets medical necessity criteria;
 - ii. Is full scope Medi-Cal under twenty-one (21) years of age;
 - iii. Is a member of the certified class;
 - iv. Needs specialty mental health services in addition to TBS; and
 - v. Has specific behaviors and/or symptoms that require TBS.

- b. TBS Assessments must:
 - i. Identify the client's specific behaviors and/or symptoms that jeopardize current placement and/or symptoms that are expected to interfere with transitioning to a lower level of placement;
 - ii. Describe the critical nature of the situation, severity of the clients' behaviors and/or symptoms, other less intensive services that have been tried and/or considered, and why TBS would be appropriate;
 - iii. Provide sufficient clinical information to support the need for TBS;
 - iv. Identify what changes in behavior and/or symptoms TBS is expected to achieve and how the child's therapist or treatment team will know when these services have been successful and can be reduced or terminated; and
 - v. Identify skills and adaptive behaviors that the client is using now to manage the problem behavior and/or is using in other circumstances that could replace the specified problem behaviors and/or symptoms.

8. TBS Client Plan

- a. TBS Services provided shall be specified in a written treatment plan using a format provided or approved by County (herein referred to as "TBS Client Plan"). TBS must be identified as an intervention on the overall Client Treatment and Recovery Plan. TBS is not a stand-alone service. The TBS Client Plan shall include the following criteria:
 - i. Specific target behaviors or symptoms that jeopardize the current placement or present a barrier to transition to a lower level of care (e.g., tantrums, property destruction, assaultive behavior in school).

- ii. Specific interventions to resolve targeted behaviors or symptoms, such as anger management techniques.
 - iii. Specific description of changes in behaviors and/or symptoms that interventions are intended to produce, including a time frame for those changes.
 - iv. Specific outcome measures that can be used to demonstrate that the frequency of targeted behaviors has declined and has been replaced with adaptive behaviors.
 - v. The TBS Client Plan shall be developed, signed and dated by the TBS staff member, and co-signed by the supervising mental health clinician.
- b. The TBS Client Plan should be adjusted to identify new behaviors, interventions, and outcomes as necessary and appropriate; and reviewed and updated as necessary whenever there is a change in the child/youth's residence.
 - c. As TBS is a short-term service, each TBS Client Plan must include a transition plan from the inception of this service to decrease and/or discontinue TBS when no longer needed, or appear to have reached a plateau in benefit effectiveness.
 - d. When applicable, the TBS Client Plan must include a plan for transition to adult services when the beneficiary turns twenty-one (21) years old and is no longer eligible for TBS. The plan shall address assisting parents and/or caregivers with skills and strategies to provide continuity of care when this service is discontinued.
 - e. For clients between eighteen (18) and twenty-one (21) years of age notes regarding any special considerations should be taken into account, e.g. the identification of an adult case manager.
 - f. If the TBS are intensive and last for several months without observable improvement towards the treatment goals, the client shall be re-evaluated for a more appropriate placement.
 - g. TBS Client Plan Addendum

A TBS Client Plan Addendum shall be used to document the following:

- i. Significant changes in the client's environment since the initial development of the TBS Client Plan.
- ii. When TBS has not been effective and the client is not making progress as expected there must be documented evidence in the chart and any additional information indicating the consideration of alternatives.

9. Progress Notes

Progress notes are required each day TBS is delivered and must include a comprehensive summary covering the time that services were provided. In the progress note, the time of the service may be noted by contact/shift. As with other MHP progress notes, staff travel and documentation time are included with direct service time; on call time may not be claimed. The following must be clearly documented:

- a. Occurrences of specific behaviors and/or symptoms that jeopardize the residential placement or prevent transitions to a lower level of placement;
- b. Significant interventions identified in the Client Treatment Plan.

10. Strategies to Address Quality Improvement Including Increase Utilization

- a. Contractor shall participate with the County in the development and convening of two (2) annual meetings lasting a minimum of two (2) hours each to review the core minimum TBS data elements on access, utilization, and behavioral and institutional risk reduction. One (1) meeting will be a general forum open to the public and the other meeting will include designees of local authorities.
- b. Contractor shall summarize the meeting findings in a brief TBS report within thirty (30) days of each meeting.
- c. Contractor shall participate in outreach efforts to County mental health providers and local authorities / departments.

11. Service Delivery and Staffing Requirements

- a. TBS must be provided by a licensed practitioner of the healing arts or by trained staff members who are under the direction of a licensed practitioner of the healing arts. The qualifications of organizational provider staff delivering this service will be determined by the MHP and may include non-licensed staff. The individuals providing this service must be available on-site to intervene with the child/youth as needed.

2000 Alameda De Las Pulgas, Suite 200, Room #201

website for updates regarding the RFP if they wish to be kept advised of clarifications prior to submitting a proposal.

Selection of Provider(s). The selection of a provider will be memorialized in the form of a "County Agreement with Independent Contractor" (see the enclosed sample of the Standard Contract Template), authorized by a resolution of the County Board of Supervisors and signed by both parties.

The County reserves the right to reject any or all proposals without penalty. The County's waiver of any deviation in the proposal shall in no way modify the RFP documents or excuse the proposer from full compliance with any eventual contract.

Once a provider is selected, the Agreement with that provider must still be negotiated and submitted to the San Mateo County Board of Supervisors for approval, and there is no contractual agreement between the selected provider unless and until the Board of Supervisors accepts and signs the Agreement. Selection of a proposal for negotiation of contract terms and eventual submission to County leadership by way of an Agreement does not constitute an offer, and proposers acknowledge by submission of a proposal that no agreement is final unless and until approved by the Board of Supervisors.

Equal Benefits. Contractor shall comply with all laws relating to the provision of benefits to its employees and their spouses or domestic partners, including, but not limited to, such laws prohibiting discrimination in the provision of such benefits on the basis that the spouse or domestic partner of the Contractor's employee is of the same or opposite sex as the employee.

Jury Duty. The contractor must comply with the County Ordinance requiring that the contractor have and adhere to a written policy that provides its full-time employees who live in San Mateo County with no fewer than five days of regular pay for actual jury service in San Mateo County. This policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employee's regular pay the fees received for jury service. See Section 13, Compliance with County Employee Jury Service Ordinance, in the Standard Contract Template enclosure. If the proposer has no employees that qualify for jury duty in San Mateo County, the proposer may satisfy this requirement by providing the County with written confirmation of the fact that (1) it has no such employees and (2) it will comply with the jury service pay ordinance with respect to any future qualifying employees.

Living Wage. Unless subject to a specific exemption under the Ordinance, contractors providing services or goods with services must comply with Chapter 2.88 of the San Mateo County Ordinance Code, which is the County of San Mateo Living Wage Ordinance. Such compliance includes, but is not limited to, paying all Covered Employees the current Living Wage and providing notice to all Covered Employees and

Subcontractors as required under the Ordinance. The Ordinance requires a specific Living Wage be paid to employees working on certain contracts. Please see Chapter 2.88 of the San Mateo County Ordinance Code, a copy of which is attached to this RFP, to determine whether your contract is covered by the Ordinance or is exempt.

If the contract is exempt from the Ordinance OR if the proposer has no covered employees under the Ordinance, the proposer may satisfy this requirement by providing the County with written confirmation of the fact that (1) the contract is exempt from the Ordinance or it has no covered employees and (2) it will comply with the Ordinance with respect to any future qualifying employees.

Insurance. The County has certain insurance requirements that must be met. In most situations those requirements include the following: the contractor must carry \$1,000,000 or more in comprehensive general liability insurance; the contractor must carry motor vehicle liability insurance, and if travel by car is a part of the services being requested, the amount of such coverage must be at least \$1,000,000; if the contractor has two or more employees, the contractor must carry the statutory limit for workers' compensation insurance; if the contractor or its employees maintain a license to perform professional services (e.g., architectural, legal, medical, psychological, etc.), the contractor must carry professional liability insurance; and generally the contractor must name the County and its officers, agents, employees, and servants as additional insured on any such policies (except workers compensation). Depending on the nature of the work being performed, additional requirements may need to be met.

Incomplete Proposals May be Rejected. If a proposer fails to satisfy any of the requirements identified in this RFP, the proposer may be considered non-responsive and the proposal may be rejected.

Contact With County Employees. As of the issuance date of this RFP and continuing until the final date for submission of proposals, all proposers are specifically directed not to hold meetings, conferences, or technical discussions with any County employee for purposes of responding to this RFP except as otherwise permitted by this RFP. Any proposer found to be acting in any way contrary to this directive may be disqualified from entering into any contract that may result from this RFP.

Proposers should submit questions or concerns about the process as stated above. The proposer should not otherwise ask any County employees questions about the RFP or related issues, either orally or by written communication, unless invited to do so.

Group Purchasing Organization Participation. Proposers should keep in mind that the County is a participant in more than one Group Purchasing Organization (GPO), and this RFP is open to those who provide services under a GPO. Proposers should ensure their proposals are as competitive as possible while also providing the highest

quality services in order to be considered a viable provider for the listed services. The County reserves the right to use a GPO provider if doing so is in the County's best interest, as determined solely by the County, even if that provider does not submit a proposal in response to this RFP.

Travel Costs. If the services requested will require you or your employees to travel to the Bay Area, and if the County opts to permit travel expenses to be reimbursed, there are some general guidelines regarding reimbursement rates that will apply. In general, the following restrictions should be kept in mind: reimbursement for the actual cost of lodging, meals, and incidental expenses ("LM&I Expenses") is limited to the then-current Continental United States ("CONUS") rate for the location of the work being done (San Mateo/Foster City/Belmont, California), as set forth in the Code of Federal Regulations and as listed by the website of the U.S. General Services Administration (available online by searching www.gsa.gov for the term 'CONUS'); airline and car rental travel expenses ("Air & Car Expenses") are limited to reasonable rates obtained through a cost-competitive travel service (for example, a travel or car-rental website), with air travel restricted to coach fares and car rental rates restricted to the mid-level size range or below; and certain other reasonable travel expenses ("Other Expenses") such as taxi fares, parking costs, train or subway costs, etc. may be reimbursable on an actual-cost basis. You should not assume that the County will permit travel from the Bay Area to be reimbursed, and your proposal should include such travel costs if applicable. Travel costs should be minimized or eliminated in order for a proposal to be competitive.

Miscellaneous. This RFP is not a commitment or contract of any kind. The County reserves the right to pursue any and/or all ideas generated by this RFP. The County reserves the right to reject any and all proposals and/or terminate the RFP process if deemed in the best interest of the County. Further, while every effort has been made to ensure the information presented in this RFP is accurate and thorough, the County assumes no liability for any unintentional errors or omissions in this document. The County reserves the right to waive or modify any requirements of this RFP when it determines that doing so is in the best interest of the County. Finally, the County may revise or clarify aspects of the required services after proposals are submitted by communicating directly to some or all of the providers that submitted proposals.

B. SUBMISSION OF PROPOSALS

Proposal: One (1) original and seven (7) copies must be received and date stamped by the Department no later than 4:00 p.m. on Wednesday May 17, 2017 as listed in the TENTATIVE SCHEDULE OF EVENTS above. Proposals should be in the format required in Section V.A. below. There will be no public opening of proposals. All proposals shall be firm offers, and will so be considered by the County, although the County reserves the right to negotiate terms upon evaluation of the proposals. Proposals will be considered valid offers for a period of ninety (90) days following the close of the RFP.

By submitting a proposal, each proposer certifies that its submission is not the result of collusion or any other activity which would tend to directly or indirectly influence the selection process. The proposal will be used to determine the proposer's capability of rendering the services to be provided. The failure of a proposer to comply fully with the instructions in this RFP may eliminate its proposal from further evaluation as determined in the sole discretion of the County. The County reserves the sole right to evaluate the contents of proposals submitted in response to this RFP and to select a contractor, if any.

Proposals received late will not be opened or given any consideration for the proposed services unless doing so is deemed to be in the best interest of the County, as determined in the sole discretion of the County.

C. CONFIDENTIALITY OF PROPOSALS

California Government Code Sections 6250 et seq. (the "California Public Records Act" or the "Act") defines a public record as any writing containing information relating to the conduct of the public business. The Act provides that public records shall be disclosed upon written request and that any citizen has a right to inspect any public record unless

the document is exempted from disclosure. The materials submitted in response to this RFP are subject to the California Public Records Act.

Be advised that any contract that eventually arises from this RFP is a public record in its entirety. Also, all information submitted in response to this RFP is itself a public record without exception. Submission of any materials in response to this RFP constitutes a waiver by the submitting party of any claim that the information is protected from disclosure. By submitting materials, (1) you are consenting to release of such materials by the County if requested under the Public Records Act without further notice to you and (2) you agree to indemnify and hold harmless the County for release of such information.

If the County receives a request for any portion of a document submitted in response to this RFP, the County will not assert any privileges that may exist on behalf of the person or entity submitting the proposal, and the County reserves the right to disclose the requested materials without notice to the party who originally submitted the requested material. To the extent consistent with the Public Records Act and applicable case law interpreting those provisions, the County and/or its officers, agents, and employees retain discretion to release or withhold any information submitted in response to this RFP.

Submission of a proposal constitutes a complete waiver of any claims whatsoever against the County and/or its officers, agents, or employees that the County has violated a proposer's right to privacy, disclosed trade secrets, or caused any damage by allowing the proposal to be inspected.

D. PROPOSAL EVALUATION

All proposals received will be evaluated by an RFP Evaluation Committee. During the evaluation process, the County may require a proposer's representative to answer specific questions orally and/or in writing. The County may also require a visit to the proposer's offices, other field visits or observations by County representatives, or demonstrations as part of the overall RFP evaluation. Once a finalist or group of finalists is selected, additional interactions or information may be required. The most qualified individual or firm will be recommended by the RFP Evaluation Committee based on the overall strength of each proposal, and the evaluation is not restricted to considerations of any single factor such as cost.

Responses to this RFP must adhere to the format for proposals detailed in Section V - PROPOSAL SUBMISSION REQUIREMENTS. The criteria used as a guideline in the evaluation will include, but not be limited to, the following:

- Qualifications and experience of the entity, including capability and experience of key personnel and experience with other public or private agencies to provide these services
- Proposed approach, including clarity of understanding of the scope of services to be provided and appropriateness of the proposed solution/services
- Customer service
- History of successfully performing services for public or private agencies
- Ability to meet any required timelines or other requirements
- Claims and violations against you or your organization
- Cost to the County for the primary services described by this RFP
- References
- Compliance with County RFP and contractual requirements

The County may consider any other criteria it deems relevant, and the Evaluation Committee is free to make any recommendations it deems to be in the best interest of the County. Inaccuracy of any information supplied within a proposal or other errors constitute grounds for rejection of the proposal. However, the County may, in its sole discretion, correct errors or contact a proposer for clarification.

Note that the County reserves the right to evaluate proposals solely based on each provider's written submission. In relation to written materials, evaluation will be performed only on the material included directly in the proposal itself unless otherwise indicated or requested by the County. Your proposal must be complete without relying on external websites, sales brochures, marketing materials or white papers.

The County reserves the right to accept proposals other than those with lowest costs.

E. PROPOSAL RECOMMENDATION

The Evaluation Committee will recommend a provider or providers or may recommend that the proposals be rejected. The County will then make its own decision as to whether to accept or reject the recommendations from the Evaluation Committee. Ultimate acceptance or rejection of the recommended proposal and execution of a contractual agreement is the independent prerogative of the County, notwithstanding any recommendations made by the Evaluation Committee. The County reserves the right to negotiate with any provider to finalize an agreement in relation to the proposer's response.

F. NOTICE TO PROPOSERS

The County is not required to give notice to proposers in any specific format or on any particular timeline. At some point prior to execution of a final agreement for the requested services, the County will notify those who submitted proposals of their non-

selection. Proposers may be notified at different times depending on the needs of the County.

G. PROTEST PROCESS

If a proposer desires to protest the selection decision, the proposer must submit by facsimile or email a written protest within five (5) business days after the delivery of the notice about the decision. The written protest should be submitted to the BHRS Contract Team and addressed to the Chief of the Health System as outlined below. Protests received after the deadline will not be accepted. Protests must be in writing, must include the name and address of the proposer and the RFP number, and must state all the specific grounds for the protest. A protest that merely addresses a single aspect of the selected proposal (for example, comparing the cost of the selected proposal in relation to the non-selected proposal) is not sufficient to support a protest. A successful protest will include sufficient evidence and analysis to support a conclusion that the selected proposal, taken as a whole, is an inferior proposal.

The County will respond to a protest within (10) business days of receiving it, and the County may, at its election, set up a meeting with the proposer to discuss the concerns raised by the protest. The decision of the County will be final. The protest letter must be sent as follows:

SECTION V – PROPOSAL SUBMISSION REQUIREMENTS

The proposal should be submitted in the following format:

All proposals should adhere to the specified content and sequence of information described by this RFP.

Obligations assumed by such signature must be fulfilled.

C. SPECIFIED CONTENT AND DETAILED SEQUENCE OF INFORMATION IN THE RFP

Each proposal should include sections addressing the following information in the order shown in the following section. The proposer should be sure to include all information that it feels will enable the Evaluation Committee and, ultimately, the County to make a decision. Failure of the proposer to provide specific, detailed information may result in its proposal being rejected in favor of a sufficiently-detailed proposal. Any necessary exhibits or other information, including information not specifically requested by this RFP but that you feel would be helpful, should be attached to the end of the proposal. The party submitting the materials should keep in mind the limitations on confidential information described in Section IV.

D. TABBING OF SECTIONS

TAB 2 Philosophy and Service Model:

This section describes your philosophy and service model for meeting the services required by this RFP. Relevant considerations include the quality and feasibility of your approach to meeting these needs, the manner in which you plan to provide adequate staffing (including planning for absences and back-up coverage, training, background checks, and staff monitoring, etc.), and equipment or other resources provided by you (if applicable). Keep these considerations in mind as you respond to the following:

- 1) Describe how you will fulfill the needs of the County described in this RFP. Attach a project plan, if appropriate.
- 2) List your needs for physical space and/or equipment at the County during this engagement, if any, aside from space or equipment that would be provided by the County as an obvious aspect of the requested services (for example, space to treat patients, computers to document services, etc.).

TAB 5 Cost Analysis and Budget for Primary Services:

- 1) Provide a detailed explanation for all costs associated with your providing the requested services if you are selected.
- 2) Is travel time to the County expected to be billable? If so, how will travel time invoices be calculated? Generally, proposals that do not include travel time or expenses are preferred unless the services requested require travel as part of the service.
- 3) Include start-up costs if any.

TAB 6 Cooperative Purchasing:

- 1) State whether the resultant contract can be extended to other San Mateo County departments and/or public agencies in the San Francisco Bay area upon their request. Your response to this inquiry will not affect the selection decision unless other factors are deemed to be equal by the County.
- 2) List any additional services that you foresee may be necessary, if any, and list the proposed costs for such services.

TAB 7 Quality/Program Evaluation:

Each program may have specific quality/evaluation issues, below are some examples:

- 1) Describe the Quality Improvement plan. The plan should include a description of utilization review, co-occurring capability development, medication monitoring, case documentation, peer review, and other issues pertaining to quality improvement mandates and policies.

- 7) The County Living Wage Ordinance
- 8) All other provisions of the standard contract

In addition, the proposer should include a statement that it will agree to have any disputes regarding the contract venued in San Mateo County or Northern District of California.

The proposal must state any objections to any terms in the County's contract template and provide an explanation for the inability to comply with the required term(s). If no objections are stated, the County will assume the proposer is prepared to sign the County standard contract template as-is.

NOTE: The sample Standard Contract Template enclosed with this RFP is a template and does not constitute the final agreement to be prepared for the selected service provider. Do not insert any information or attempt to complete the enclosed sample contract template. Once a provider is selected, the County will work with the selected provider to draft a provider-specific contract using the template. However, each proposal should address the general terms of the standard contract as requested within this RFP.

Contractor is not entitled to payment for work not performed as required by this agreement.

4. Term

Subject to compliance with all terms and conditions, the term of this Agreement shall be from July 1, 2016 through June 30, 2017.

5. Termination

This Agreement may be terminated by Contractor or by the Chief of the Health System or his/her designee at any time without a requirement of good cause upon thirty (30) days' advance written notice to the other party. Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that prorated portion of the full payment determined by comparing the work/services actually completed to the work/services required by the Agreement.

County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon the unavailability of Federal, State, or County funds by providing written notice to Contractor as soon as is reasonably possible after County learns of said unavailability of outside funding.

Upon termination, Contractor may make and retain a copy of such contract materials if permitted by law.

7. Relationship of Parties

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

8. Hold Harmless

a. General Hold Harmless

Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

(A) injuries to or death of any person, including Contractor or its employees/officers/agents;

(B) damage to any property of any kind whatsoever and to whomsoever belonging;

(C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or

(D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor's duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

b. Intellectual Property Indemnification *(You may delete entire IP Indemnification section if not relevant – County Counsel review is not required if section is deleted)*

Contractor hereby certifies that it owns, controls, and/or licenses and retains all right, title, and/or interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and/or other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets (collectively referred to as “IP Rights”) except as otherwise noted by this Agreement.

Contractor warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third party. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party’s IP Rights provided any such right is enforceable in the United States. Contractor’s duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor’s expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County’s prior written consent, not to be unreasonably withheld, and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on County, impair any right of County, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of County without County’s prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Contractor’s opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County’s reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor’s option and expense, either: (i) procure for County the right to continue using the services without infringement or (ii) replace or modify the services so that they become non-infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have

been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

9. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice.

10. Insurance

a. General Requirements

Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County's Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

b. Workers' Compensation and Employer's Liability Insurance

Contractor shall have in effect during the entire term of this Agreement workers' compensation and employer's liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.

c. Liability Insurance

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor's operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

- (a) Comprehensive General Liability... \$1,000,000
- (b) Motor Vehicle Liability Insurance... \$1,000,000
- (c) Professional Liability..... \$1,000,000

You may delete (b) or (c) text if those insurance types are not relevant to your contract – County Counsel review is not required if one or both of those lines are deleted. However, if you are unsure about insurance requirements for your contract – call Risk Management before your contract is executed)

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.
