

2023 Stanford Medicine Health Care Stroke Symposium: *Weaving an Interdisciplinary Tapestry for Collaborative Stroke Care*

The annual Stanford Health Care Stroke Symposium will provide learners with a full day of presentations highlighting new and best practices in the care of stroke patients. This year's theme will focus on utilizing an interdisciplinary approach to improve patient outcomes.

By the end of the event, the learner will have an increased knowledge in the assessment, management, and treatment approach of the stroke patient.

Target Audience: All health care providers working in Stroke Centers, including registered nurses and advance practice providers.

Speakers include:

- Physicians
- Nurses
- Pharmacists
- Rehabilitation Staff
- Flight Team
- Advanced Practice Providers
- Stroke survivor

**March 24,
2023
8am - 4pm
