

HAZARDOUS WASTE HAULERS

This partial list serves as a reference only. Businesses listed below are not endorsed by the County of San Mateo. Use of a qualified company not listed here is acceptable. For more hazardous waste hauler options, please visit the Department of Toxic Substances Control's registered hazardous waste transporter database at: hwts.dtsc.ca.gov/transporters.

For businesses that specialize in used oil disposal/recycling, look for the yellow oil drop symbol next to their name. Others on this list may provide similar services.
