- This is a list of the clinics that currently participate in the Spay/Neuter Assistance Program and accept vouchers. Before making an appointment, San Mateo County recommends that you contact the clinic to confirm they are still participating in the program.
- Vouchers do not necessarily cover the entire cost and there may be a co-pay for domestic animals. When you make an appointment, be sure to clarify what your share of the expense will be.
- There may be an additional fee to cover testing, vaccinations, or exam fees.
- Your voucher is valid for 2 months from the issue date. If you are unable to use your voucher, it has expired without redeeming, or if you need an extension, please call 650-573-3940 and provide us with the voucher number and if you need to void or extend.
