

Cyber Security for Healthcare Facilities

JULY 15TH, 2020 | 9:30AM –11:00AM

Purpose:

The Federal Bureau of Investigation (FBI) will provide an overview of the top cyber threats for 2020, discuss common sense cybersecurity prevention tips, and provide guidance on how to interact with the FBI during a cybersecurity event.

The Northern California Regional Intelligence Center may also present case studies including cyberattacks on healthcare facilities.

***Light breakfast will be provided*
