Overview of MHSA Innovation (INN)

SAN MATEO COUNTY HEALTH
**BEHAVIORAL HEALTH
& RECOVERY SERVICES**

Mental Health Services Act - Prop 63 (2004)

1% tax on personal income above \$1 million

Community Services & Supports (CSS)

Direct treatment and recovery services for serious mental illness and serious emotional disturbance

Prevention & Early Intervention (PEI)

Interventions prior to the onset of mental health disorders and early onset of psychotic disorders

Innovation (INN)

New approaches and community-driven best practices

MHSA Innovation (INN)

- 5% of MHSA funding allocated to innovative ideas
 - For San Mateo County, this means about \$2.15M per year for new projects
- 3 to 5-year pilot projects to develop new best practices
- INN Projects must be approved by the State before implementation

INN Project Requirements

Project must meet one of the following requirements:

1. Introduce a new practice or approach
2. Make a change to an existing practice, including application to a different population
3. Apply a promising community-driven practice that has been successful in non-behavioral health settings
4. NOT be already demonstrated as effective in behavioral health setting (in literature, research, etc.)

SAN MATEO COUNTY HEALTH

BEHAVIORAL HEALTH
& RECOVERY SERVICES

INN Planning Cycle

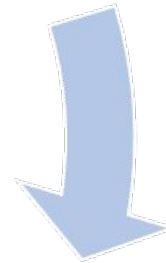

4. Evaluation

- Evaluation explores the project's learning goals
- If successful, project may be funded under another MHSA component

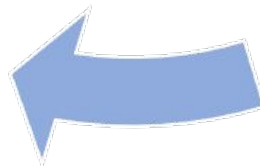

1. Planning

- Community submits ideas for projects
- Ideas are selected to submit to the State

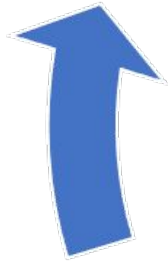

2. Approval

- State decides whether to approve ideas

3. Implementation

- BHRS contracts with providers
- Providers implement projects
