

The Supportive Care Collaborative –
Peninsula & South Bay presents:

Dementia Awareness & Early Signs: Recognize, Understand, and Take Action

Learn about the early signs of dementia and ways to support yourself and your loved ones. Join us for a morning of education, resources, and connection with others who may be facing similar questions or concerns.

What to Expect:

- Complimentary breakfast
- Presentation on dementia awareness and its early signs
- Opportunities to connect with community organizations and resources
- Discover information and support options for families and caregivers

Saturday, July 25, 2026
