

YOUR HEARING RIGHTS

You only have 90 days to ask for a hearing. The 90 days start either:

1. The day after we personally gave you this the mental health plan's appeal decision notice, OR
2. The day after the postmark date of this mental health plan's appeal decision notice.

Expedited State Hearings

It usually takes about 90 days from the date of your request to make a hearing decision. If you think this timing will cause serious problems with your mental health, including problems with your ability to gain, maintain or regain important life functions, you may request an expedited state hearing. **To request an expedited**

hearing, please check the 1st box in the right hand column of this page under HEARING REQUEST and include the reason why you are requesting an expedited hearing. If your expedited hearing request is approved, a hearing decision will be issued within three working days of the date your request is received by the State Hearings Division.

To Keep Your Same Services While You Wait for A Hearing

- You must ask for a hearing within 10 days from the date the mental health plan's appeal decision notice was mailed or personally given to you or before the effective date of the change in services, whichever is later.
- Your Medi-Cal mental health services will stay the same until a final hearing decision is made which is adverse to you, you withdraw your request for a hearing, or the time period or service limits for your current services expire, whichever happens first.

State Regulations Available

State regulations, including those covering state hearings, are available at your local county welfare office.
