NEW POLICY: December 2019

SUPERSEDES: MH 98-03 Provider Contracts, MH 98-07 Provider Selection

DEFINITIONS:

- **Provider:** A person or entity who is licensed, certified, or otherwise recognized or authorized under state law governing the healing arts to provide specialty mental health services and who meets the standards for participation in the Medi-Cal program as described in California Code of Regulations, title 9, Division 1, Chapters 10 or 11 and in Division 3, Subdivision 1 of Title 22, beginning with Section 50000. Provider includes but is not limited to licensed mental health professionals, clinics, hospital outpatient departments, certified day treatment facilities, certified residential treatment facilities, skilled nursing facilities, psychiatric health facilities, general acute care hospitals, and acute psychiatric hospitals. The MHP is a provider when direct services are provided to beneficiaries by employees of the Mental Health Plan.
POLICY:

To ensure that network providers understand the elements of the provider selection process and maintain compliance with state and federal Medicaid regulations, BHRS established policies and processes to ensure that providers are equitably selected.

Following BHRS Provider Standards, BHRS does not:

a. Contract with providers beyond the number necessary to meet the needs of its enrollees.
b. Preclude provider from using different reimbursement amounts for different specialties or for different practitioners in the same specialty; or
c. Preclude provider from establishing measures that are designed to maintain quality of services and control costs and are consistent with its responsibilities to enrollees.

BHRS Administration (Credentialing Committee Provides Oversight of all Credentialing and Re-Credentialing):

1. Selects and maintains network providers as required by applicable State and Federal requirements to meet Network Adequacy Standards as specified by DHCS.

2. Will only use licensed, registered, waivered providers acting within their scope of practice for services that require a license, waiver, or registration.

3. Does not discriminate in the selection, reimbursement, or indemnification of any provider who is acting within the scope of his or her license or certification under applicable State law, solely on the basis of that license or certification.

4. Does not discriminate against particular providers that serve high-risk populations or specialize in conditions that require costly treatment.

5. Ensures it has a uniform and documented process for credentialing and re-credentialing, Behavioral Health Service Credentialing and Re-credentialing Policies:
   a. Credentialing for Independent Contracted Providers: 98-05
   b. Credentialing and Service/Billing Privileges for MHRS: 18-04
