

## 2021 May Mental Health Month

# Evaluation Collector Links

### PLEASE NOTE

#### Evaluation

- **If you are a mini-grantee, evaluation results using below evaluation link is required.**
- If you are not a mini-grantee, you don't need to use the evaluation link but it's very helpful to measure the impact of our events.
- Whether you are a mini-grantee or not, the Office of Diversity and Equity will be able to offer at least one raffle prize (swag bag) for participation in each event evaluation.
- One best practice is to offer the evaluation in the middle and at the end of the event
- Available in English and Spanish

#### Demographic Survey

- The demographic survey below is optional. It has a more comprehensive set of questions.
- One best practice is to offer the demographic survey in the beginning of the event
- Available in English, Spanish, Chinese (Simplified), Tagalog and Russian

### SAMPLE SCRIPT

***Demographic Survey: As we waiting for folks to trickle in to this event, please consider completing our demographic survey. This survey helps us understand who we are reaching and not reaching for events supported by the Mental Health Services Act funding.***

***Evaluation: To help us evaluate the reach and impact of this Mental Health Month event, please complete this evaluation by the end of today. You will have an opportunity to win a raffle prize (swag bag) for completing this evaluation.***
