LAND & LABOR ACKNOWLEDGEMENT

We acknowledge that we are each residing on tribal lands of those who have lived on this land from time immemorial.

We pay respects to their elders past and present

We recognize the resilience of those past and present, who work to build a strong & sovereign nation where Tribal members live their values & culture

We must acknowledge that much of what we know of this country today, including its culture, economic growth, & development throughout history & across time, has been possible by the labor of enslaved Africans & their ascendants who suffered the horror of the transatlantic trafficking of their people, chattel slavery, & Jim Crow.

We are indebted to their labor & their sacrifice, & we must acknowledge the tremors of that violence throughout the generations & the resulting impact that can still be felt & witnessed today.
