PROGRAM REQUIREMENTS

By submitting this form, I will commit to the following safer products and procedures (check all):

- ☐ Use only use toxic-trio free nail polish (no toluene, dibutyl phthlate, and formaldehyde).
- ☐ Use artificial nail products e.g. acrylic, dip, gel x, etc. without methyl methacrylate (MMA).
- ☐ Use nail polish removers without ethyl or butyl acetate.
- ☐ Avoid nail polish thinners. If using, do not use those containing toluene or methyl ethyl ketone (MEK).
- ☐ Ensure all nail salon staff wear nitrile gloves when using nail products.
- ☐ Use a ventilation unit when artificial nail services or removers are being used in the salon.
- ☐ Designate a nail station(s) closet to the window and/or doors for artificial nail services.
- ☐ Do not allow customers to bring in products unless they meet program criteria.
- ☐ Be committed to trying and adopting safer nail products and practices.
