

SCHOOL SHARE TABLE PROGRAM

Program Participation is easy as 1-2-3

How to Participate

San Mateo County will provide your school with training, help educate your students, and provide a starter toolkit.

1. **Training** - The County will train school staff on how to safely manage the Share Table.
2. **Student Education** – Fun games and prizes will be presented to students during the meal period to show students how to use the Share Table.
3. **Starter Toolkit** - A How-to-Guide, parent flyer in various languages, 4 food grade bins with multilingual signage, and school wall poster will be provided.
