## CULTURAL AND LINGUISTIC COMPETENCY

The planners and speakers of this CME activity have been encouraged to address cultural issues relevant to their topic area for the purpose of complying with California Assembly Bill 1195. Moreover, the Stanford University School of Medicine Multicultural Health Portal contains many useful cultural and linguistic competency tools including culture guides, language access information and pertinent state and federal laws. You are encouraged to visit the Multicultural Health Portal: <https://laneguides.stanford.edu/multicultural-health>

## COURSE EVALUATION & CE CREDIT

Participants will receive an email 7-10 business days after the course with a link to an online evaluation survey. To complete the evaluation and access your certificate, log in to your CE account at <https://stanford.cloud-cme.com>, click the **My CE** tab, then the **Evaluations and Certificates** tile, and click **Complete Evaluation** for this activity. Upon completion of the online evaluation survey and attesting to the number of hours of participation in the activity, you can download a printable certificate for your records.

**First Time Sign-In:** If you have not signed into our website before, you will need to complete a 1-time password setup. To gain access to your account, click Sign In on the homepage, and use the *Forgot Your Password* link to create your password. Creating a new user profile with a different email is highly discouraged. This action will create a duplicate profile in our system and will not be linked to the evaluation.
