

Behavioral Health Commission
Executive Committee Meeting Agenda

September 2, 2026, 5:30PM-6:30PM

Attendance: Jean, Leti, Yoko, Michael, Paul, Dan, Doris, Kristie, Chantae,

- New member committee – Michael
- BHC Interview Questions
 - Everyone review and send Kristie your edits so she can share back to BoS
- Planning for review/voting on future integrated plans
 - Education on how to think of components; how data is collected; etc
 - To clarify – integrated plan does not require public hearing, just 30-day public comment
 - There is also now an intermittent update before the annual update to let the state know of any significant changes to the integrated plan for that year
 - December is typically when we do midyear projections so we will likely open public comment in January and make an announcement, and then we come back again for annual update in June.
- Theresa Comstock questions
 - Who is your Board of Supervisor liaison? Bill Silverfarb
 - Whose door should we be knocking on?
 - Theresa will send a letter recommending interview process being more efficient and BoS being better trained

Misc:

- Presentations
 - October – Data Notebook
 - November - Community Health Network/Anamatangi, Tiffany Hautau
 - December – No meeting
 - Potential future presentations:
 - Melissa Platt or Mariana Roche for supportive housing
 - Potentially joint meeting with Juvenile Justice Delinquency Detention
 - Jennifer Sanchez - Psynergy Programs
 - 101 on the 3-year plan
