Social Media — Save the Date

Save the Date! Coastal Cleanup Day is returning in September. Join thousands of volunteers across San Mateo County as we come together to protect our coast, waterways, and communities. Registration details coming soon!

 September 19th, 2026

 9 a.m. - 12 p.m.

Social Media — Who will you bring?

Who will you bring to Coastal Cleanup Day? Spend a morning making a difference for our environment.

 Save the date: September 19, 2026!

Grab your:

-  friends
-  family
-  coworkers
-  neighbors
-  pets

Social Media — Celebrate 50 Years

🌊 50 years of protecting California's coast!

Since 1976, the California Coastal Act has helped protect our coast while keeping it accessible for all.

Celebrating that legacy with us by volunteering on Coastal Cleanup Day on September 19th!

Social Media — The Coast Starts Here

Did you know? Trash from streets, neighborhoods, and waterways can eventually make its way to the ocean. Protecting the coast starts before you reach the shoreline.

Join your community for Coastal Cleanup Day and help keep waterways clean — from inland areas to the coast. 🌊

Mark Your Calendar: Coastal Cleanup Day 2026

Join your community in protecting our coast and waterways! Coastal Cleanup Day is coming to San Mateo County on September 19, 2026.

This annual event brings together volunteers of all ages to remove litter, protect wildlife, and create a cleaner, healthier environment. Whether you're joining friends, family, coworkers, or neighbors — every volunteer makes an impact.

Save the date and stay tuned for volunteer registration details!

Celebrate 50 Years of Coastal Protection 🌊

For 50 years, the California Coastal Act has helped protect the places we love. This year, celebrate that legacy by joining your community for Coastal Cleanup Day on September 19, 2026.

Together, volunteers across San Mateo County will help keep our waterways clean, protect marine life, and care for our shared environment.

Save the date and be part of the movement!
