Stigma has shaped public perception of people with mental health issues, leading to various harmful myths and stereotypes. Over time, we also internalize the lessons that society teaches us. This workshop seeks to affect our opinions on behavioral health (mental health and/or substance use) stigma. Please circle one number for each question below and only answer questions that apply to you.

1. How much do you agree or disagree with these statements?

									
	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
