

Mind, Body & Spirit Matters

Black History Month Health Fair

Celebrate Black History Month!

Join the San Mateo County African American Community Initiative's (AACI) Health Fair to:

- Learn about health disparities that impact the African American community and what resources are available.
- Create change in the African American community by exploring ways to improve and maintain your health.
- Experience our Photovoice project on Black Lives Matter and hear participants share their stories.

A soulful lunch will be provided!
