01:16:47 Scott Gruendl (Assistant Director): PERT is one program within the BHRS Crisis Unit. The
crisis unit includes several programs that are crisis related.
01:22:43 Pat W: when will the public be engaged?
01:27:22 Scott Gruendl (Assistant Director): Los Angeles County had clinicians embedded in their

dispatch center and I had the opportunity to tour the facility when working on a school campus crisis response team model. The clinicians respond directly to the officers in the field and advises them based on the situation, but certainly can support callers directly as currently suggested. For a county the size of LA, they had two clinicians at any given time.

01:28:01 Chris Rasmussen: thanks Scott, I think I pulled data from them

01:38:27 Yoko Ng (She/Her/Hers): I appreciate Pat for being a role model as a commissioner of this board. She inspired me at the interview and through meetings, she is sending me a positive vibe with the utmost care for our community. I am very glad to meet Pat in this path of the journey. Thank you, Pat.

01:38:56 Leti Bido: Congratulations, Pat...best wishes! A "thank you" is not adequate, but my heart is filled with gratitude for you and your passionate advocacy and leadership!! (I'm sorry I need to jump off for a school meeting now.)
