- This is a list of the clinics that currently participate in the Spay/Neuter Assistance Program and accept vouchers. Before making an appointment, San Mateo County recommends that you contact the clinic to confirm they are still participating in the program.
- Vouchers do not necessarily cover the entire cost and there may be a co-pay for domestic animals. When you make an appointment, be sure to clarify what your share of the expense will be.
- There may be an additional fee to cover testing, vaccinations, or exam fees.
- You must use your voucher within 30 days of the issue date. If you are unable to use your voucher or it has expired without redeeming, please call 650.573.3940 and provide us with the voucher number so that we can issue it to another pet owner/feral cat caretaker.
