Live Scan Background Check Information & Instructions

BACKGROUND

All applicants for San Mateo County EMS Agency EMT certification must submit fingerprints for a criminal history background check. This includes all initial/first-time EMT applicants and/or those whose last certification was through another county.

Live Scan background checks for EMT include California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI). Fingerprinting is done using “Live Scan” technology and uses computer images to send fingerprints immediately to the DOJ and FBI.

All initial/first-time certification applicants, and those whose most recent certification is through another county MUST complete a DOJ and FBI Live Scan background check using the [San Mateo County Live Scan Request form \(see attached for form\)](#).

Live Scans completed through the DMV for ambulance drivers license, or other agencies are **NOT** accepted.

GETTING THE LIVE SCAN FORM

Those applying through San Mateo County **MUST** use the San Mateo County form (attached). We recommend that applicants print three copies, one for the Live Scan agency, one to attach with your EMT application and one for your own records. The forms should be completed prior to arriving for your Live Scan appointment.

LIVE SCAN AGENCIES

Live Scan requests are performed by third-party Live Scan agencies. A list of third-party providers can be found here: <https://oag.ca.gov/fingerprints/locations>. The list includes hours of operation, cost, whether or not an appointment is necessary, and method of payment. San Mateo County EMS does **NOT** perform Live Scan requests.

PRIVACY GUARANTEE

Privacy and confidentiality of criminal history record information is the responsibility of the EMS Agency.

IF YOU HAVE A CONVICTION/CRIMINAL HISTORY

Conviction of a crime does not necessarily mean that an applicant will be denied certification. The appropriate EMS staff, along with the county legal department if appropriate, will review each case where the applicant has a criminal conviction. Decisions will be based on applicable state statutes and regulations, and a careful review of documentation. If an applicant is denied, he/she has the right to request a hearing. In addition, an EMT certificate may be suspended or revoked based on criminal history information. Applicants with a criminal conviction or who are involved in an active prosecution can expect a delay in the processing of their application. For us to process your application, you must submit a letter explaining the case and copies of the final court docket/disposition which will help us in the decision process.
