

YOUR COOPERATION IS REQUESTED:

A SAFE AND WELCOMING ENVIRONMENT FOR ALL

County Health is committed to ensuring a safe, welcoming, respectful, healing environment for everyone: our patients, clients, visitors, and staff.

To ensure such an environment, we prohibit:

Discrimination

Any action, language or behavior that is abusive or discriminatory, based on race, ethnicity, gender, sexual orientation, or other identities

Harassment

Harassment, including sexual harassment and/or unwelcome behavior or language

Violence

Any act, or threat of, violence or intimidation, including physical assault

Weapons

The use or brandishing of any weapon to intimidate, threaten, or assault

SAN MATEO COUNTY HEALTH
**PUBLIC HEALTH,
POLICY & PLANNING**

To maintain a safe environment, County Health may take action against any of the behaviors described above, including reporting a person's conduct to the appropriate authorities. If you feel our environment is not safe and welcoming, contact us at
