## **C. THE REQUEST FOR PROPOSAL PROCESS**

This RFP seeks the submission of proposals to provide services from any and all interested and qualified proposers. The San Mateo County Behavioral Health and Recovery Services Division (BHRS) seeks by way of this RFP to obtain the listed services in a manner that maximizes the quality of services while also maximizing value to the County and, by extension, the citizens of the County. Proposers must be able to show that they are capable of performing the services requested. Such evidence includes, but is not limited to, the respondent's demonstrated competency and experience in delivering services of a similar scope and type and local availability of the proposer's personnel and equipment resources.

## **SECTION II – SCOPE OF WORK**

### **A. DESCRIPTION**

In order to address community problems associated with alcohol and drug use and to improve overall health and well-being, San Mateo County Behavioral Health and Recovery Services, Alcohol and Other Drug Services (AOD) has developed a Strategic Prevention Framework plan to create a sustainable, community-based prevention-focused infrastructure that will build partnerships between local government agencies, schools, faith-based organizations, law enforcement, community-based organizations, businesses, and residents. The San Mateo County Alcohol and Other Drug Services Strategic Prevention Framework (SPF) was developed over a nine-month period and includes the following components: Assessment, Capacity Building, Planning, Implementation, and Evaluation. Priority areas for AOD are as follows:

**Priority Area 1: Access and Availability to Alcohol, Marijuana, and Other Drugs**  
Alcohol and other Drug Prevention Framework focus area: Enhancing Place

Problem Statements:

- 1) Unfortunately, in San Mateo County young people under age 21 have easy access to alcohol in retail and social settings, resulting in binge drinking or other harmful consequences. Access to alcohol may result in harmful consequences

such as addiction, poor health, poor educational outcomes, and involvement in the juvenile justice system.

- 2) Unfortunately, in San Mateo County youth and adults have easy access to marijuana in retail and social settings, resulting in harmful consequences. San Mateo County youth and adults have easy access to marijuana, resulting in poor judgment, impaired development, addiction, and other long term harmful effects.
- 3) Unfortunately, in San Mateo County youth have access to a variety of lawful and/or illicit substances depending on community, socioeconomic factors, and societal norms. San Mateo County youth and adults lack community knowledge on the potential harmful effects of prescription drugs and illicit substances such as Xanax, Oxycodone, amphetamines, morphine, heroin, etc.

### **Priority Area 2: Community Connections and Supports**

BHRS Prevention Framework focus areas: Connecting People and Fostering Prosperity

Problem Statements:

- 1) There are policies, systems, and environmental factors in the community that impact the overall health and well-being of the community including alcohol and other drug use.
- 2) San Mateo County has vulnerable communities of people who face stigma and inequitable consequences from alcohol and other drug use, and whose isolation and marginalization may contribute to problem substance use.
- 3) Many parents and caregivers struggle to effectively address the challenging and risky behavior of their children in a positive way, especially during adolescence.

### **Priority Area 3: Building the Capacity of an Effective Prevention System**

BHRS Prevention Framework focus area: Expanding Partnerships Problem Statements

- 1) There is limited capacity for local communities to address the environmental and cultural norms which contribute to problem alcohol and other drug use.

**The Tobacco Prevention Program (TPP)** is responsible for developing and implementing a comprehensive tobacco control plan for San Mateo County. The program is funded with state monies which have been made available following passage of the 1988 Tobacco Tax Initiative and 2016 Tobacco Tax Increase as well as Master Settlement Agreement funds. The comprehensive tobacco control plan follows state guidelines and addresses the following three state mandated priorities:

Reduce exposure to environmental tobacco smoke; Reduce youth access to tobacco; and Counter pro-tobacco influences.

The TPP provides staff support and technical assistance to a local tobacco control coalition, the San Mateo County Tobacco Education Coalition (TEC), which has spearheaded numerous public policies addressing the three priority areas. The TPP and TEC has created a 4-year intervention and evaluation plan based on the Communities of Excellence (CX) process: A community planning framework used to systematically assess the tobacco control-related needs and capacity of a community; set priorities; and develop a plan of action to address tobacco-related issues and needs.

### **Tobacco Prevention Program Priority Areas:**

- 1) **Flavored Products**—Since 2009, the use of flavorings in cigarettes has been outlawed in the United States (U.S.) as part of the Family Smoking Prevention and Tobacco Control Act (FSPTCA). However, this law does not include tobacco products other than cigarettes, such as many different types of cigars, smokeless tobacco (including dip, snuff, and snus), hookah tobacco (also called shisha), and electronic cigarettes (or e-cigarettes). The FSPTCA also notably excluded menthol. Flavorings in tobacco products, especially menthol, are very concerning because they help to mask the naturally harsh taste of tobacco, making it easier for youth and new smokers to begin and keep smoking tobacco. Sweet flavors like chocolate, gummy bear, cherry, apple, and cotton candy are especially appealing to youth and young adults. Menthol has been shown to enhance the addictiveness of cigarettes by both increasing the likelihood of initiation and by inhibiting cessation and promoting relapse. Most teens report that the first tobacco product that they ever used was a flavored product.
- 2) **Multi-Unit Housing** – Tobacco use in housing units such as apartments, condos, and townhouses that share floors, walls, or ceilings put all residents at risk for exposure to the hazards of secondhand smoke. People with compromised respiratory systems, such as adults with COPD or children with asthma, are especially vulnerable to the adverse effects of exposure to tobacco smoke.
- 3) **Youth Engagement** – Youth have a special role in tobacco prevention. They are being specifically targeted by the tobacco industry through youth-oriented advertising, price promotion, and product packaging especially designed to attract youth. Addicting youth to tobacco provides the tobacco industry with lifelong customers. Youth leaders provide a powerful voice in the community.

## **Evaluation Activities**

Evaluation activities will include, but are not limited to, an assessment of existing federal, state, and local substance use resources, impact of marketing efforts, outcome of programmatic and policy-related activities, and selected program strategies and their effectiveness in meeting the needs of San Mateo County residents. Final program reports with recommendations for potential programs and curricula are expected from this contract.

### 1) Evaluation Activities for TPP

Evaluation activities are developed during the CX and process and are expected to evolve over time. A list of the predetermined activities and their status is included in Attachment A.

### 2) Evaluation Activities for AOD

The selected provider will research and understand the Prevention Framework and make recommendations for evaluation tools and activities that assess the impact of prevention activities and media/marketing efforts; and develop an implementation timeline. Proposers should provide evidence of their ability to work with clients to identify, develop, and implement strategies. A list of potential activities that the contractor may be expected to work on is included in Attachment A.

Although the preference is to have one provider for both the TPP and AOD evaluation activities, applicants may select either the TPP evaluation activities or the AOD evaluation activities in their proposal.

## **B. LENGTH OF AGREEMENT**

The anticipated duration of the agreement will be for three years, with the term tentatively to begin July 1, 2019 and end June 30, 2022, subject to negotiation of a final agreement. Included in this RFP is the option to renew for an additional two (2) years pending program evaluation, availability of funding, and division approval.

## **C. FUNDING**

The funding per year is \$90,000 (\$60,000 for AOD Evaluation Activities, and \$30,000 for TPP Evaluation Activities) and is subject to change.

## **SECTION III – GENERAL TERMS AND CONDITIONS**

It is the responsibility of each proposer to register and check the website (<http://www.smchealth.org/bhrs/rfp>) for changes and/or clarifications to the RFP prior to submitting a response. A proposer's failure to do so will not provide a ground for protest.

**Proposer Information Conference.** All interested parties are invited to participate in a non-mandatory informational session that will be held as follows:

March 20, 2019 – 9:00am – 11:00am

If you would like to join remotely, you must email [sreed@smcgov.org](mailto:sreed@smcgov.org) and request the meeting instructions.**

**Alteration of Terms and Clarifications.** No alteration or variation of the terms of this RFP is valid unless made or confirmed in writing by the County. Likewise, oral

understandings or agreements not incorporated into the final contract are not binding on the County.

If a proposer discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the proposer must immediately notify the County of such error in writing and request modification or clarification of the document. If a proposer fails to notify the County of an error in the RFP prior to the date fixed for submission, the proposer shall submit a response at his/her own risk, and if the proposer enters into a contract, the proposer shall not be entitled to additional compensation or time by reason of the error or its later correction.

Modifications or clarifications to the RFP will be posted to the <http://www.smchealth.org/bhrs/rfp> website as outlined above without divulging the source of the request for same. The County may, at its discretion, also give electronic notice by email to all parties who have notified the County of their electronic contact information in response to this RFP, but no party that fails to receive email notice has any basis for protest given that all clarifications will be available online. It is the obligation of all proposing parties to check the <http://www.smchealth.org/bhrs/rfp> website for updates regarding the RFP if they wish to be kept advised of clarifications prior to submitting a proposal.

**Selection of Provider(s)**. The selection of a provider will be memorialized in the form of a "County Agreement with Independent Contractor" (see the enclosed sample of the Standard Contract Template), authorized by a resolution of the County Board of Supervisors and signed by both parties.

The County reserves the right to reject any or all proposals without penalty. The County's waiver of any deviation in the proposal shall in no way modify the RFP documents or excuse the proposer from full compliance with any eventual contract.

Once a provider is selected, the Agreement with that provider must still be negotiated and submitted to the San Mateo County Board of Supervisors for approval, and there is no contractual agreement between the selected provider unless and until the Board of Supervisors accepts and signs the Agreement. Selection of a proposal for negotiation of contract terms and eventual submission to County leadership by way of an Agreement does not constitute an offer, and proposers acknowledge by submission of a proposal that no agreement is final unless and until approved by the Board of Supervisors.

**Equal Benefits**. Contractor shall comply with all laws relating to the provision of benefits to its employees and their spouses or domestic partners, including, but not limited to, such laws prohibiting discrimination in the provision of such benefits on the

basis that the spouse or domestic partner of the Contractor's employee is of the same or opposite sex as the employee.

**Jury Duty.** The contractor must comply with the County Ordinance requiring that the contractor have and adhere to a written policy that provides its full-time employees who live in San Mateo County with no fewer than five days of regular pay for actual jury service in San Mateo County. This policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employee's regular pay the fees received for jury service. See Section 13, Compliance with County Employee Jury Service Ordinance, in the Standard Contract Template enclosure. If the proposer has no employees that qualify for jury duty in San Mateo County, the proposer may satisfy this requirement by providing the County with written confirmation of the fact that (1) it has no such employees and (2) it will comply with the jury service pay ordinance with respect to any future qualifying employees.

**Living Wage.** Unless subject to a specific exemption under the Ordinance, contractors providing services or goods with services must comply with Chapter 2.88 of the San Mateo County Ordinance Code, which is the County of San Mateo Living Wage Ordinance. Such compliance includes, but is not limited to, paying all Covered Employees the current Living Wage and providing notice to all Covered Employees and Subcontractors as required under the Ordinance. The Ordinance requires a specific Living Wage be paid to employees working on certain contracts. Please see Chapter 2.88 of the San Mateo County Ordinance Code, a copy of which is attached to this RFP, to determine whether your contract is covered by the Ordinance or is exempt. If the contract is exempt from the Ordinance OR if the proposer has no covered employees under the Ordinance, the proposer may satisfy this requirement by providing the County with written confirmation of the fact that (1) the contract is exempt from the Ordinance or it has no covered employees and (2) it will comply with the Ordinance with respect to any future qualifying employees.

**Insurance.** The County has certain insurance requirements that must be met. In most situations those requirements include the following: the contractor must carry \$1,000,000 or more in comprehensive general liability insurance; the contractor must carry motor vehicle liability insurance, and if travel by car is a part of the services being requested, the amount of such coverage must be at least \$1,000,000; if the contractor has two or more employees, the contractor must carry the statutory limit for workers' compensation insurance; if the contractor or its employees maintain a license to perform professional services (e.g., architectural, legal, medical, psychological, etc.), the contractor must carry professional liability insurance; and generally the contractor must name the County and its officers, agents, employees, and servants as additional insured on any such policies (except workers compensation). Depending on the nature of the work being performed, additional requirements may need to be met.

**Incomplete or Late Proposals May be Rejected.** If a proposer fails to satisfy any of the requirements identified in this RFP, the proposer may be considered non-responsive and the proposal may be rejected.

**Contact With County Employees.** As of the issuance date of this RFP and continuing until the final date for submission of proposals, all proposers are specifically directed not to hold meetings, conferences, or technical discussions with any County employee for purposes of responding to this RFP except as otherwise permitted by this RFP. Any proposer found to be acting in any way contrary to this directive may be disqualified from entering into any contract that may result from this RFP.

Proposers should submit questions or concerns about the process as stated above. The proposer should not otherwise ask any County employees questions about the RFP or related issues, either orally or by written communication, unless invited to do so.

**Group Purchasing Organization Participation.** Proposers should keep in mind that the County is a participant in more than one Group Purchasing Organization (GPO), and this RFP is open to those who provide services under a GPO. Proposers should ensure their proposals are as competitive as possible while also providing the highest quality services in order to be considered a viable provider for the listed services. The County reserves the right to use a GPO provider if doing so is in the County's best interest, as determined solely by the County, even if that provider does not submit a proposal in response to this RFP.

**Miscellaneous.** This RFP is not a commitment or contract of any kind. The County reserves the right to pursue any and/or all ideas generated by this RFP. The County reserves the right to reject any and all proposals and/or terminate the RFP process if deemed in the best interest of the County. Further, while every effort has been made to ensure the information presented in this RFP is accurate and thorough, the County assumes no liability for any unintentional errors or omissions in this document. The County reserves the right to waive or modify any requirements of this RFP when it determines that doing so is in the best interest of the County. Finally, the County may revise or clarify aspects of the required services after proposals are submitted by communicating directly to some or all of the providers that submitted proposals.

## **SECTION IV – REQUEST FOR PROPOSALS PROCEDURE**

This section describes the general RFP procedure used by the County, and the remaining sections of this RFP list detailed requirements.

### **C. CONFIDENTIALITY OF PROPOSALS**

California Government Code Sections 6250 et seq. (the "California Public Records Act" or the "Act") defines a public record as any writing containing information relating to the conduct of the public business. The Act provides that public records shall be disclosed upon written request and that any citizen has a right to inspect any public record unless the document is exempted from disclosure. The materials submitted in response to this RFP are subject to the California Public Records Act. Be advised that any contract that eventually arises from this RFP is a public record in its entirety. Also, all information submitted in response to this RFP is itself a public record without exception. Submission of any materials in response to this RFP constitutes a waiver by the submitting party of any claim that the information is protected from disclosure. By submitting materials, (1) you are consenting to release of such materials by the County if requested under the Public Records Act without further notice to you and (2) you agree to indemnify and hold harmless the County for release of such information.

If the County receives a request for any portion of a document submitted in response to this RFP, the County will not assert any privileges that may exist on behalf of the person or entity submitting the proposal, and the County reserves the right to disclose the requested materials without notice to the party who originally submitted the requested material. To the extent consistent with the Public Records Act and applicable case law interpreting those provisions, the County and/or its officers, agents, and employees retain discretion to release or withhold any information submitted in response to this RFP.

Submission of a proposal constitutes a complete waiver of any claims whatsoever against the County and/or its officers, agents, or employees that the County has violated a proposer's right to privacy, disclosed trade secrets, or caused any damage by allowing the proposal to be inspected.

### **D. PROPOSAL EVALUATION**

All proposals received will be evaluated by an RFP Evaluation Committee. During the evaluation process, the County may require a proposer's representative to answer specific questions orally and/or in writing. The County may also require a visit to the proposer's offices or other field visits or observations by County representatives, demonstrations as part of the overall RFP evaluation, or an interview with any/all proposers. Once a finalist or group of finalists is selected,

additional interactions or information may be required. The most qualified individual or firm will be recommended by the RFP Evaluation Committee based on the overall strength of each proposal, and the evaluation is not restricted to considerations of any single factor such as cost.

Responses to this RFP must adhere to the format for proposals detailed in Section V - PROPOSAL SUBMISSION REQUIREMENTS. The criteria used as a guideline in the evaluation will include, but not be limited to, the following:

1. Minimum Requirements

Responses to this RFP must adhere to the format for proposals detailed in Section V - PROPOSAL SUBMISSION REQUIREMENTS. Proposals must include the following minimum requirements to be considered for evaluation:

- a. Proposal was submitted on time;
- b. Proposal is signed by authorized person;

- d. Stated compliance with County RFP and contractual requirements;
- e. References;
- f. Budget

2. Requirements

a. Qualifications and Experience

- i. Was there an adequate description of the qualification and experience of the entity, including a statement of the extent of experience/history providing the services requested by this RFP?
- ii. Were dedicated personnel identified for this project?
- iii. Were résumés included?
- iv. Was the total number of employees (demonstrating capacity to do the requested work) included?

b. Cost to the County - Budget

1. Is there a detailed explanation of service cost and a budget provided?
2. If applicable, were start-up costs included?

c. References

- a. Were references included in the proposal?
- b. Were those references relevant to the services within the RFP?

3. Statement of Compliance with County RFP and contractual requirements

- a. Was a statement included that indicated the provider would comply with County and contractual requirements?

The County may consider any other criteria it deems relevant, and the Evaluation Committee is free to make any recommendations it deems to be in the best interest

of the County. Inaccuracy of any information supplied within a proposal or other errors constitute grounds for rejection of the proposal. However, the County may, in its sole discretion, correct errors or contact a proposer for clarification.

Note that the County reserves the right to evaluate proposals solely based on each provider's written submission. In relation to written materials, evaluation will be performed only on the material included directly in the proposal itself unless otherwise indicated or requested by the County. Your proposal must be complete without relying on external websites, sales brochures, marketing materials or white papers.

The County reserves the right to accept proposals other than those with lowest costs.

#### **E. PROPOSAL RECOMMENDATION**

The Evaluation Committee will recommend a provider or providers or may recommend that the proposals be rejected. The County will then make its own decision as to whether to accept or reject the recommendations from the Evaluation Committee. Ultimate acceptance or rejection of the recommended proposal and execution of a contractual agreement is the independent prerogative of the County, notwithstanding any recommendations made by the Evaluation Committee. The County reserves the right to negotiate with any provider to finalize an agreement in relation to the proposer's response.

#### **F. NOTICE TO PROPOSERS**

The County is not required to give notice to proposers in any specific format or on any particular timeline. At some point prior to execution of a final agreement for the requested services, the County will notify those who submitted proposals of their non-selection. Proposers may be notified at different times depending on the needs of the County.

#### **G. PROTEST PROCESS**

If a proposer desires to protest the selection decision, the proposer must submit by facsimile or email a written protest within five (5) business days after the delivery of the notice about the decision. The written protest should be submitted to the Chief of the Health System as outlined below. Protests received after the deadline will not be accepted. Protests must be in writing, must include the name and address of the proposer and the RFP number, and must state all the specific grounds for the protest. A protest that merely addresses a single aspect of the selected proposal (for example, comparing the cost of the selected proposal in relation to the non-selected proposal) is not sufficient to support a protest. A successful protest will include sufficient evidence and analysis to support a conclusion that the selected proposal, taken as a whole, is an inferior proposal.

The County will respond to a protest within ten (10) business days of receiving it, and the County may, at its election, set up a meeting with the proposer to discuss the concerns raised by the protest. The decision of the County will be final. The protest letter must be sent as follows:

Chief of County Health

The party submitting the materials should keep in mind the limitations on confidential information described in Section IV.

## ATTACHMENT A – Evaluation Activities

### Tobacco Prevention Program

The three main objectives that TPP will be addressing for the 2019-2021 project period includes:

- 1) By June 30, 2021, at least 10 San Mateo County youth will be recruited, trained, and each will participate in at least two tobacco-free education or policy activities annually such as: participating in the Make Time for Fitness event, meeting with and educating policymakers, letter writing, data collection, and/or media activities.
- 2) By June 30, 2021, in collaboration with African American, Spanish-speaking, Pacific Islander, lesbian, gay, bisexual, and transgender (LGBT), and behavioral health and recovery communities, at least one jurisdiction within San Mateo County (such as Unincorporated San Mateo County, East Palo Alto, or Redwood City) will amend or adopt a tobacco retailer licensing ordinance to reduce the availability of flavored tobacco products in the most ethnically diverse areas of the County.
- 3) By June 30, 2021, at least one city in San Mateo County (e.g. San Carlos or Colma) will adopt a policy designating 100% of individual units (including balconies and patios) in multi-unit housing (MUH) complexes as entirely smoke-free units, including areas at least 30 feet from doors, windows, patios and balconies. At least two jurisdictions (e.g. San Mateo, San Bruno, South San Francisco, and Brisbane) will implement smoke-free multi-unit housing (MUH) policies and demonstrate jurisdiction-specific signage compliance improvement of 50% and reduce instances of noncompliance by 20%.

Under the direction of the TPP's Project Director, the External Evaluation Contractor (EEC) will provide services for planning evaluation activities, evaluation study design, implementing activities such as development of data collection instructions, data collection training and protocols, data analysis, report writing, and/or outcome evaluation. The EEC will assist with and review case studies and other evaluation data collection and reporting, including development of final evaluation and brief evaluation reports.

The following evaluation activities from our three objectives provide a sample of some of the types of tasks to be completed by the EEC:

#### Objective 1 – Youth Engagement

- Create a self-assessment for youth who have participated in tobacco prevention efforts to gauge their comfort and ability to be effective trainers/advocates/facilitators and their uptake of content knowledge

related to the basic health information related to tobacco and policy-related strategies. (TPP SOW Activity 1-E-8)

- Develop and draft a Brief Evaluation Report to submit at the end of the grant cycle. (TPP SOW Activity 1-E-1)

#### Objective 2 – Reducing Access to Flavored Tobacco

- Develop or update key informant interview questionnaires and conduct 15-20 key informant interviews to follow-up on current knowledge and attitudes regarding the tobacco retail environment, flavored tobacco, and other topics relevant to the Healthy Stores for a Healthy Community campaign. (TPP SOW Activity 2-E-7)
- Develop and draft a Brief Evaluation Report to submit at the end of the grant cycle. (TPP SOW Activity 2-E-4)

#### Objective 3 – Smoke-free Multi-unit Housing (MUH)

- Develop or adapt an existing online survey tool for property managers/landlords/owners that will ask questions related to implementation of smoke-free multi-unit housing policies. Conduct follow-up phone-based key informant interviews. (TPP SOW Activity ID: 4-E-9)
- Chart and compare California Smokers' Helpline data to the timing and volume of MUH policy adoption and/or implementation intervention activities. Develop summary report that includes whether there were any trends between call volume and local tobacco prevention education and promotional activities. (TPP SOW Activity ID: 4-E-5)
- Develop and draft a Final Evaluation Report to submit at the end of the grant cycle. (TPP SOW Activity 4-E-6)

Overall, the data collected from the three objectives will inform intervention strategies, guide and target educational efforts to increase understanding of the impact of interventions and policies on the most vulnerable populations in San Mateo County.

The External Evaluator should have working knowledge of the California Tobacco Control Program guidelines, experience in evaluating community level tobacco control policy change, particularly in California, and community engagement models. Additionally, the EEC may provide technical assistance to funded TPP contractors regarding data collection and evaluation activities. When evaluating proposals, consideration will be given to evaluators with experience evaluating tobacco control program activities based in California, as recommended by the California Tobacco Control Program.

alcohol, tobacco, cannabis and other drug prevention efforts.

- 3) Provide evaluation technical assistance to AOD staff and community partners in the development, implementation, analysis and reporting of program-level evaluation.

Upon termination, Contractor may make and retain a copy of such contract materials if permitted by law.

Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

(D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor’s duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

**b. Intellectual Property Indemnification** *(You may delete entire IP Indemnification section if not relevant – County Counsel review is not required if section is deleted)*

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

## **9. Assignability and Subcontracting**

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice.

## **10. Insurance**

### **a. General Requirements**

Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County's Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. **c. Liability Insurance**

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor’s operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

However, if you are unsure about insurance requirements for your contract – call Risk Management before your contract is executed)*

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

**11. Compliance With Laws**

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws,

Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement.

Further, Contractor certifies that it and all of its subcontractors will adhere to all applicable provisions of Chapter 4.106 of the San Mateo County Ordinance Code, which regulates the use of disposable food service ware. Accordingly, Contractor shall not use any non-recyclable plastic disposable food service ware when providing prepared food on property owned or leased by the County and instead shall use biodegradable, compostable, reusable, or recyclable plastic food service ware on property owned or leased by the County. *(This paragraph may be deleted without County Counsel Review if not relevant to this agreement)*

### ENCLOSURE 3

#### NOTICE TO CONTRACTOR: LIVING WAGE ORDINANCE

On November 1, 2016, the Board of Supervisors of the County of San Mateo adopted an Ordinance establishing a five-year living wage pilot program for service contracts entered into by the County. All contractors and subcontractors providing services under a County contract are subject to the Living Wage Ordinance (LWO). All Full-time, part-time, temporary, and permanent employees are covered under the LWO. Contracts entered into prior to January 1, 2017, are not subject to LWO. Compliance with the LWO will be voluntary for new contracts entered into between January 1, 2017, and March 31, 2017, inclusive. Contracts entered into on or after April 1, 2017, must comply with the LWO.

Enforcement of the LWO will be accomplished through oversight by the County, which retains the right to conduct random audits; through employee grievance rights; and through the legal process, if necessary. The County will set a single point of contact for employees to report LWO non-compliance by employers.

The purpose of these requirements contributes to the Shared Vision 2025 outcomes of a Prosperous and Livable Community by setting living wage rates for County service contracts. All efforts made to comply with these requirements are greatly appreciated.

Further details on all aspects of the LWO are included in the attached LWO.

Sincerely,

Behavioral Health & Recovery Services Contracting Department
