

DATA

Graphs cover data through 8/26/22

- Vaccination rates are capped at 95% due to limitations in data precision. All rates are for 0 years old and up unless otherwise noted.
- The Health Equity Quartile (HEQ) is comprised of the quartile of County census tracts with the least healthy community conditions, as measured by their Healthy Places Index (HPI 2.0) score.

Case rate data is updated through 8/16/2022. Population estimates are from American Community Survey 5-yr, 2019.
