

## HEALTH CARE FOR THE HOMELESS/FARMWORKER HEALTH PROGRAM (HCH/FH)

## **Co-Applicant Board Meeting Agenda**

## 500 County Center COB 3 Redwood City, CA 94063 (Manzanita Hall)

## July 10<sup>th</sup>, 2025, 10:00am - 12:00pm

This meeting of The Health Care for The Homeless/Farmworker Health board will be held in-person at

## 500 County Center COB 3 Redwood City, CA 94063 (Manzanita Hall)

Remote participation in this meeting will not be available. To observe or participate in the meeting please attend in-person at above location. \*Written public comments may be emailed to <u>rnash@smcgov.org</u> and such written comments should indicate the specific agenda item on which you are commenting.

## \*Please see instructions for written and spoken public comments at the end of this agenda.

A. CALL TO ORDER & ROLL CALL	Steve Carey	10:00am
------------------------------	-------------	---------

## **B. PUBLIC COMMENT**

Persons wishing to address on matters NOT on the posted agenda may do so. Each speaker is limited to three minutes and the total time allocated to Public Comment is fifteen minutes. If there are more than five individuals wishing to speak during Public Comment, the Chairperson may choose to draw only five speaker cards from those submitted and defer the rest of the speakers to a second Public Comment at the end of the Board meeting. In response to comments on a non-agenda item, the Board may briefly respond to statements made or questions posed as allowed by the Brown Act (Government Code Section 54954.2) However, the Boards general policy is to refer items to staff for comprehensive action or report.

C. ACTION TO SET THE AGENDA & CONSENT AGENDA	Steve Carey	10:10am
<ol> <li>Approve meeting minutes from:</li> <li>a. June 12<sup>th</sup> Board Meeting</li> </ol>		Tab 1
2. Budget and Finance Report		Tab 2
3. HCH/FH Director's Report		Tab 3
<ol> <li>Quality Improvement/Quality Assurance Update</li> </ol>		Tab 4

## **D. COMMUNITY ANNOUNCEMENTS**

Communications and Announcements are brief items from members of the Board regarding upcoming events in the community and correspondence that they have received. They are informational in nature and no action will be taken on these items at this meeting. A total of five minutes is allotted to this item. If there are additional communications and announcements, the Chairperson may choose to defer them to a second agenda item added at the end of the Board Meeting.

Community updates	Board Members	10:15am

Approve Program Budget		

## **E. GUEST SPEAKER**

Danielle Michal, Program Services Manager - Quality Improvement Program (QIP)

11:00am

G. REPORTING & DISCUSSION AGENDA		
Report on 2025 National Health Care for the Homeless Conference & Policy Symposium	Tayischa Deldridge	11:35am
Federal Updates and Impacts on HCH/FH Program	Jim Beaumont and Lauren Carroll	11:45am

H. ADJOURNMENT	12:00pm		
Future meeting: August 14 <sup>th</sup> 2025			
Time: 10:00am-12pm			
Location: 500 County Center, COB 3 (Manzanita Hall), Redwood City, CA 94063			
*Instructions for Public Comment During Meeting	-		

Members of the public may address the Members of the HCH/FH board as follows:

Written public comments may be emailed in advance of the meeting. Please read the following instructions carefully:

1. Your written comment should be emailed to rnash@smcgov.org.

2. Your email should include the specific agenda item on which you are commenting or note that your comment concerns an item that is not on the agenda or is on the consent agenda. 3. Members of the public are limited to one comment per agenda item.

4. The length of the emailed comment should be commensurate with the two minutes customarily allowed for verbal comments, which is approximately 250-300 words.

5. If your emailed comment is received by 5:00 p.m. on the day before the meeting, it will be provided to the Members of the HCH/FH board and made publicly available on the agenda website under the specific item to which your comment pertains. If emailed comments are received after 5:00p.m. on the day before the meeting, HCH/FH board will make every effort to either (i) provide such emailed comments to the HCH/FH board and make such emails publicly available on the agenda website prior to the meeting, or (ii) read such emails during the meeting. Whether such emailed comments are forwarded and posted, or are read during the meeting, they will still be included in the administrative record.

Meetings are accessible to people with disabilities. Individuals who need special assistance or a disability-related modification or accommodation (including auxiliary aids or services) to participate in this meeting, or who have a disability and wish to request an alternate format for the agenda, meeting notice, or other documents that may be distributed at the meeting, should contact the HCH/FH Community Program Coordinator at least five working days before the meeting at <u>rnash@smcgov.org</u> in order to make reasonable arrangements to ensure accessibility to this meeting and the materials related to it. The HCH/FH Co-Applicant Board meeting documents are posted at least 72 hours prior to the meeting and are accessible online at: <a href="http://www.smchealth.org/smmc-hfhfh-board">http://www.smchealth.org/smmc-hfhfh-board</a>

Victoria Sanchez De Alba called the meeting to order at 10:07 am and did a roll call.	<b>Marisol Escalera</b> Announced the second review of the Amendment Ordinance to support enforcement by the Office of Labor Standards. A multilingual hotline staffed by licensed attorneys is available, with interpretation services offered. Outreach efforts are focused on construction and restaurant workers to ensure they receive accurate information about their employment rights. Point of Contact County of San Mateo - Office of Labor Standards and Enforcements Labor Standards Manager - Shane Crary Ross, <u>Sross1@smcgov.org</u>	Sandra Sencion, ALAS Sandra provided the following updates on Alas's latest efforts and collaborations:
A. Call to order & roll call	B. Public Comment	

	<ul> <li>Alas partnered with Sonrisas Dental who presented at farms and equity bus on dental hygiene and even assisted a client who needed urgent dental relief.</li> </ul>	
	- Moon Ridge Community contract. El Centro member is also part of the Alas team going out on the bus.	
	- Sunday Clinic at Coastside Clinic. Alas in collaboration with the HCHFH program began referring uninsured farmworkers to the new Sunday Clinic at Coastside Clinic.	
	In addition Sandra shared concerns about the ICE raids and how they have been affecting the community. Alas is creating information cards for mental health services, know your rights, reassuring the community about safety and rights, as well as partnering with the Office of Labor Standards.	
	Suzanne Moore, Board Member Shared a poster for Community Response Line for Immigrants	
C. Action to set the agenda and consent agenda.	<ol> <li>Approve meeting minutes from May 12th Board Meeting</li> <li>Budget and Finance Report</li> <li>HCH/FH Director's Report</li> <li>Quality Improvement/Quality Assurance Update</li> </ol>	Request to approve the Consent Agenda was MOVED by Steve Craft and SECONDED by Tayischa Deldridge APPROVED by all Board members present.
		Jim requested to move the Director's Report to the Discussion Agenda.
D. Community Announcements	Suzanne Moore, Board Member Suzanne provided an update on the Encampment Sub-Committee, which met with a counsel from Redwood City as well as a representative from the County Manager's office. Community is concerned about criminalization and further announcements are to be yet released. In addition, the Sub-Committee also met with representatives from the Stanford University to discuss potential evaluation studies on the encampment ordinance(s), to ensure they are doing what they are designed to do. Judith Guerrero, Board Member	

Meetings are accessible to people with disabilities. Individuals who need special assistance or a disability-related modification or accommodation (including auxiliary aids or services) to participate in this meeting, or who have a disability and wish to request an alternate format for the agenda, meeting notice, or other documents that may be distributed at the meeting, should contact the HCH/FH Program Coordinator at least five working days before the meeting at (650) 573-2640 in order to make reasonable arrangements to ensure accessibility to this meeting and the materials related to it. The HCH/FH Co-Applicant Board meeting documents are posted at least 72 hours prior to the meeting and are accessible online at: <a href="http://www.smchealth.org/smmc-hfth-board">http://www.smchealth.org/smmc-hfth-board</a>

	Judith shared the Farmworker Advisory Commission's report (attached).	
	Tony Serrano, Board Member Tony shared that El Centro's Cares Pilot program in Half Moon Bay is ending and the funding for it is being discontinued. While the County has its own program, Tony shared concerns about lost connections with the community El Centro established and potential retreat of the progress accomplished. Tony inquired about other funding alternatives, and Susanne suggested Tony send an email request to the Board as well.	ACTION: Suzanne asked Tony to send an email with this request and clarify the number of people being impacted.
E. Guest Speaker Lee Pullen, Director of Aging and Disability Services	Lee Pullen, Aging and Disability Services Lee presented on the services offered by his department (slides deck attached).	
F. Business Agenda	Jim Beaumont, Director	Request to approve was
Jim Beaumont Approving SMMC Financial Assistance	Jim discussed the Boards approval of the following documents to get in compliance with the HRSA audit:	<u>MOVED</u> by Janet Schmidt and <u>SECONDED</u> by Susanne Moore

	Jocelyn Vidales, HCHFH staff	
<ul> <li>G. Reporting &amp; Discussion</li> <li>Agenda</li> </ul>	Debriefed the Board on how the first Sunday Clinic for farmworkers at	
Jim Beaumont – Federal Updates and Impacts on HCHFH Program	Coastside Clinic went. Jocelyn shared patient feedback, issues encountered, and success stories. Recommendations were made for Anessa Farber – Public Health Clinics Manager to present on the field medicine efforts on the Coast.	ACTION: Request for Anessa to present on the Street/Field/Mobile Clinic efforts in the future board meetings.
	<b>Jim Beaumont, Director</b> Jim shared Federal updates and impacts with the board.	
G. Adjournment	Future meeting: July 10th, 2025 Time: 10:00am-12pm Location: 500 County Center, COB 3 (Manzanita Hall), Redwood City, CA 94063	The meeting was adjourned at 11:36 am.

Meetings are accessible to people with disabilities. Individuals who need special assistance or a disability-related modification or accommodation (including auxiliary aids or services) to participate in this meeting, or who have a disability and wish to request an alternate format for the agenda, meeting notice, or other documents that may be distributed at the meeting, should contact the HCH/FH Program Coordinator at least five working days before the meeting at (650) 573-2640 in order to make reasonable arrangements to ensure accessibility to this meeting and the materials related to it. The HCH/FH Co-Applicant Board meeting documents are posted at least 72 hours prior to the meeting and are accessible online at: <a href="http://www.smchealth.org/smmc-hfth-board">http://www.smchealth.org/smmc-hfth-board</a>

## **Background:**

The Coastside Clinic and its Pescadero Mobile Clinic have long served as essential health resources for the farmworker community on the south coast of San Mateo County. Over the past decade, the clinic received significant positive feedback; however, in recent years, increasing concerns have emerged regarding service delivery. Community members have raised issues such as long wait times, frequent appointment cancellations, limited access to Spanish-speaking staff, and poor communication, especially regarding test results and referrals. These concerns were voiced to local community organizations, including Puente de la Costa Sur, ALAS, and Coastside Hope, and have been shared with the Farmworker Advisory Commission (FAC), which was formed to address the needs of the farmworker community.

To address these concerns and create a space for open dialogue, the Farmworker Advisory Commission hosted a listening session on February 12, 2025. The session aimed to gather feedback on how the Coastside Clinic and its mobile clinic in Pescadero are serving residents and identify areas for improvement. The session, facilitated by Schechter Consulting, was attended by 24 community members, and supported by various community organizations and County staff.

## **Key Areas of Feedback**

## 1. Service Delivery

- The Coastside Clinic provides a range of services, including wellness exams, regular checkups, dental services, lab tests, diabetes and cancer screenings, and medication refills.
- Many community members reported they have not visited the clinic recently due to long wait times for appointments, frequent cancellations, limited phone accessibility, and issues with prior authorizations. As a result, some have chosen to seek care elsewhere, traveling longer distances or paying out-of-pocket.

## 2. Positive Experiences

- Positive experiences were shared about the clinic's doctors and dentists, particularly regarding communication and follow-up.
- The clinic's proximity was noted as beneficial, especially for those without transportation.

## 3. Concerns and Challenges

- Wait Times: Community members expressed frustration with long phone hold times, delays in scheduling appointments (sometimes up to three months), and extended wait times at the clinic (up to five hours).
- **Appointment Cancellations**: Last-minute cancellations of appointments, often with no prior notice or explanation, were highlighted as a significant issue.
- **Lack of Follow-Up**: Many community members reported poor follow-up on test results and referrals, sometimes waiting months without receiving results at all.
- Communication Issues: The lack of Spanish-speaking staff and unreliable interpretation services were frequently cited as barriers to effective communication with Spanish-speaking patients.

- Treatment and Staff Issues: Some community members cited dismissive treatment by clinic staff, particularly regarding health concerns related to age or other factors.
- **State Disability Insurance Forms:** Inconsistent follow-through in completing State Disability Insurance (SDI) forms has been identified as a barrier that may prevent clients from accessing critical income support while on disability
- 4. Suggestions for Improvement
  - Expanded Hours and Capacity: Community members recommended extending clinic hours and increasing mobile clinic availability, particularly in rural areas.
     When planning extended office hours, community input should be sought to ensure effectiveness.
  - Improved Communication and Patient-Centered Care: Enhanced communication, especially in Spanish, and the hiring of culturally competent staff were emphasized as key improvements. Community members also requested better responsiveness and more patient-centered care.
  - **Improved Follow-Up**: There was a strong emphasis on the need for timely follow-up on test results, referrals, and ongoing care.
  - **Prior Authorization Support**: Assistance with prior authorizations was requested to ensure medications are accessible and timely for all patients.

Based on the valuable insights gathered during the listening session, the following recommendations have been developed to address the long-standing concerns and improve the services provided by the Coastside Clinic and its Pescadero Mobile Clinic. These recommendations include actionable steps, clear timelines, and assigned responsibilities to ensure accountability and effective progress.

## Recommendations

- 1. Finalize Summary of Key Community Concerns
  - **Action**: Finalize the summary report, incorporating feedback from the listening session and FAC members, and outline specific recommendations.
  - **Timeline**: Within 6 weeks (by May 2025) FAC: J. Guerrero and C. Rodriguez.
- 2. Present Findings to District 3 Supervisor
  - Action: Submit the final report and feedback gathered from the listening session to the District 3 Supervisor, Health Plan of San Mateo Commission, Healthcare for the Homeless Farmworker Health, and the San Mateo Medical Center board.
  - **Timeline**: Within 6 weeks (by May 2025) FAC: J. Guerrero and C. Rodriguez.
- 3. Request Action from District 3 Supervisor's Office
  - **Action**: Request a response from the District 3 Supervisor's office outlining the next steps and a timeline for an improvement plan.
  - **Timeline**: Within 2 months (by July 2025) FAC: J. Guerrero and C. Rodriguez.
- 4. Plan for a Follow-Up Listening Session
  - Action: Plan a follow-up listening session one year from now to assess progress and evaluate improvements.
  - **Timeline**: Plan the session by April 2026, with the session taking place by May 2026 FAC.
- 5. Improvements for the Clinic
  - Action 1: Increasing Capacity:
    - Expand office hours for both Coastside Clinic and mobile clinic to better meet community needs (e.g., after work and school hours).

- When improving and expanding office hours, patients should be part of the process and provide input on the suggested hours to increase the efficiency of the improvement.
- Increase mobile clinic availability by adding one additional day at Pescadero.
- Timeline: Within 6 months (by November 2025).
- Action 2: Improve Communication and Cultural Competency:
  - Hire more Spanish-speaking staff and ensure cultural competency training for all staff, with a focus on patient-centered care and communication.
  - Improved communication, especially for Spanish-speaking patients, and more responsive, patient-centered care.
  - Provide annual training in culturally competency, customer service with an emphasis patient-centered skills training.
  - Provide annual training on How to Access Interpreter devices to improve communication with non-English speaking community.
  - Ensuring the hiring of culturally competent staff will be vital to improve communication and patient centered care.
  - Develop a process for receiving feedback from patients to ensure patients receive quality healthcare and treated with dignity and respect.
     Timeline: Within 3-6 months (by November 2025).
- Action 3: Address Lack of Follow-Up:
  - Implement a system for ensuring follow-up on test results, referrals, and ongoing care within 30 days or less.
  - Timeline: Within 3-6 months (by November 2025).
- Action 4: Address Delay in Treatment and Medication:
  - Complete pre-authorizations for medications and services within 5-10 business days to ensure timely access to care.
  - Timeline: Within 6 months (by November 2025).
- Action 5: Prevent Appointment Cancellations and Mobile Clinic Inconsistencies:
  - Ensure a backup system for physician coverage at the Pescadero mobile clinic to prevent last-minute cancellations and vacations.
  - **Timeline**: Within 3 months (by August 2025).
- Action 6: Address Phone Line Issues:
  - Ensure adequate staffing for phone lines and monitor call volumes to reduce wait times, aiming for hold times of no longer than 30 minutes.
     Timeline: Within 3 months (by August 2025).
- Action 7: Address Longstanding Community Concerns:
  - Develop a formal improvement plan based on feedback from the listening session and report back to the Farmworker Advisory Commission for transparency and stakeholder input.
  - **Timeline**: Within 3 months (by August 2025).

## Conclusion

By implementing these recommendations, the Farmworker Advisory Commission is committed to improving the healthcare experience for the farmworker community. Through continued engagement, transparency, and accountability, the Coastside Clinic and Pescadero Mobile Clinic can better meet the needs of those they serve, fostering a more accessible and responsive healthcare system for all.

## Farmworker Advisory Commission Coastside Clinic Listening Session February 12, 2025 Feedback Summary

On February 12, 2025, the San Mateo County Farmworker Advisory Commission (FAC) hosted a listening session at the Half Moon Bay Library regarding the Coastside Clinic. The purpose of the listening session was to collect feedback from farmworkers and other community members on their experiences with the Clinic to help improve Clinic services.

## **Listening Session Overview**

The listening session was held in response to concerns that FAC members have heard from community members regarding the Coastside Clinic. The meeting was planned by FAC members Judith Guerrero and Corina Rodriguez, with assistance from the San Mateo County Office of Community Affairs (OCA). The meeting was facilitated by Debbie Schechter of Schechter Consulting along with staff from OCA, the City of Half Moon Bay, Puente, and Coastside Hope. Portions of the meeting were in English and portions were in Spanish, with simultaneous interpretation provided for both languages. Outreach for the meeting was conducted by FAC members, community organizations and County staff via flyers, social media, email and word of mouth. Twenty-four community members (not including FAC members) attended the meeting.

At the start of the meeting, Judith and Corina explained that the purpose is to provide feedback to the County about how the Coastside Clinic (including the mobile clinic in Pescadero) is doing in serving residents and what can be improved. The following County staff were present and introduced themselves:

- Jack Nassar, Deputy Director, Ambulatory Services, San Mateo Medical Center
- Jeanette Aviles, Medical Director, Primary Care Services, San Mateo Medical Center
- Jocelyn Vidales, Planning and Implementation Coordinator, San Mateo County Healthcare for the Homeless/Farmworker Health
- Marisol Escalera, Policy Director/Legislative Policy Aide to Supervisor Ray Mueller

Community members shared their experiences and feedback regarding the Coastside Clinic in breakout groups of four to nine people each. Breakout groups were led by a facilitator and feedback was captured by a notetaker. Three breakout groups were conducted in Spanish and one was conducted in English. FAC members participated in the breakout groups as listeners only. Participants provided responses to the following questions:

- 1. How often have you and your family used the clinic in the past year and for what purpose? (If you have not used the clinic, what is preventing you from using it?)
- 2. What do you like about the clinic and what is working well?
- 3. What concerns do you have about the clinic?
- 4. How could the clinic better address your and your family's health needs?

Farmworker Advisory Commission February 12, 2025 Listening Session Feedback Summary Prepared by Schechter Consulting 3/10/2025

## **Community Feedback Received Regarding the Coastside Clinic**

A summary of the input received at the meeting is provided below.

## 1. Use of the Coastside Clinic

Community members reported **using the Coastside Clinic for a wide range of services** including wellness exams and regular checkups, dentist, bloodwork and other lab tests and results, medication refills, diabetes, cancer screening, foot care and ovarian exams. Some participants reported that they have not been going to the Clinic for several years. Reasons for not using the Clinic included long wait times for appointments, long wait time to get assistance on the phone, appointment cancellations and cancellations of the mobile clinic in Pescadero, and prior authorization issues. Many have chosen to travel longer distances or pay out-of-pocket rather than waiting for an appointment at the Coastside Clinic

## 2. What is Working Well with the Coastside Clinic

Several participants shared **positive experiences with doctors and dentists at the clinic** including their primary care doctor, the dentist and the ear doctor. They noted that these doctors communicate well, provide good follow-up and ask questions to get more information about clients' health status.

Some participants **appreciated that the Clinic is close by and noted that the mobile clinic in Pescadero is important** because many patients don't have transportation to Half Moon Bay or San Mateo. Others said that they feel safe

and secure at the clinic. One participant shared that the MyChart app works well for reviewing appointment results and test results. Some participants reported that they had no positive experience with the Clinic to share and stated that everything needs to improve.

While it was not a focus of the meeting, a few participants expressed appreciation for the Street and Field medicine team. Community members explained that the Street and Field medicine team nurses come to workplaces to give vaccinations, do bloodwork, provide medication and sometimes food. They connect patients to locations for further care. Some participants also shared appreciation for the new urgent care location in Half Moon Bay.

## 3. Concerns about the Coastside Clinic

Participants spent most of the time in the breakout groups sharing concerns about the Coastside Clinic and ideas for improvement. Concerns primarily related to **challenges in getting appointments**, **appointment cancellations**, **lack of follow-up regarding test results and referrals**, **and complaints regarding communication with and treatment by Clinic staff**.

**Long wait times on the phone, to get appointments and at the Clinic**: Many participants shared that, when calling the clinic for an appointment or to change an appointment, they are put on hold for long periods of time (up to 90 minutes). Some reported asking Puente for assistance with an appointment

Farmworker Advisory Commission February 12, 2025 Listening Session Feedback Summary Prepared by Schechter Consulting 3/10/2025

"When the clinic does make it to Pescadero it's good because we don't have services over there but when it doesn't make it, it's just as impactful." – Participant and that even the Puente direct phone line has about 10 minutes of hold time and no option to leave a message. Some participants come to the Clinic in person to schedule an appointment because it takes too long on the phone. Vision care appointments are challenging because the vision care person comes only once a week. When appointments do get scheduled, they are often well into the future, e.g., two to three months out. Once at the clinic, scheduled appointments are often behind schedule. Participants mentioned having to wait up several hours and missing a half or full day of work due to delays in seeing the doctor and completing tests. The challenge of getting appointments is a problem for children needing vaccines and for people worrying about health issues. Community members reported that wait times can also be long to get medication refills.

**Appointment cancellations and inconsistency of mobile clinic**: Community members shared that the mobile clinic gets cancelled at the last minute without notification. Appointments at the Coastside Clinic can also get cancelled at the last minute or if patients are only five minutes late. It can take two to three months to get a new appointment.

Lack of follow-up for test results and referrals: Several community members reported that they often don't receive follow-up from Clinic staff regarding test results despite multiple requests or that results

take two months or more to be shared with patients. One participant said that they never received results from a cancer screening. Without these results, community members can't know if they are sick or well. Participants reported that doctors sometimes forget to make follow-up appointments and referrals to other doctors or specialists.

"We are their patient--we expect lab results to be given." – Participant

**Poor communication, particularly with Spanish-speaking patients, and poor treatment**: Community members reported that Clinic staff get upset when patients don't understand English or if an interpreter is needed. They said that there are not enough Spanish-speaking staff at the Clinic, interpretation is not always offered to patients and the interpretation machine at the clinic does not work. Patients have been told that health concerns are "due to your age" or that "there is nothing else that I [doctor] can do."

## 4. Ways the Clinic Could Better Serve the Community

Key ways in which the clinic could better serve community members' health needs include **expanding availability and capacity to serve residents, having providers who are open and communicative with patients, improving follow-up for tests and referrals, and addressing issues with prior authorization**.

Improving availability and increasing capacity to serve residents: Participants wanted to see expandedhours for both the Coastside Clinic and the mobile clinic to see patients after work and after school.Some suggested an urgent care facility, emergency appointments for emergency issues, and apermanent clinic in Pescadero or at least improved consistency and moredays for the mobile clinic. Community members wanted to see more doctorsand dentists, more staff to answer the phone, reduced wait times forappointments, and reduced wait times to see the doctor and get tests.Providing more service to rural communities was also mentioned.

Farmworker Advisory Commission February 12, 2025 Listening Session Feedback Summary Prepared by Schechter Consulting 3/10/2025

## Better providers and improved communication and openness with patients:

Community members wanted more experienced doctors and staff who provide better and more courteous service. They wanted doctors to listen more to their patients and to be honest with them at all times. Participants also wanted to have more Spanish-speaking staff and more interpretation resources at the Clinic.

"Monitors as interpreters are not good and I can't express my true feelings" – Participant

**Better follow-up for tests and referrals**: Community members wanted doctors and other Clinic staff to follow-up with them more consistently and timely regarding test results and necessary referrals to other doctors/specialists.

**Prior authorization issues**: Obtaining prior authorizations for medical services or medications is the responsibility of the healthcare provider (doctor's office). Participants asked for the clinic to do these authorizations in order for them to get medications and medical services covered by insurance. Participants with full-scope MediCal are not responsible for paying copays for medications. If a prior authorization is denied, a covered equivalent medication can be prescribed. This responsibility falls on the healthcare provider, not the patient. Despite the clinic being aware of this, many farmworker participants at the listening session expressed ongoing concerns about this issue. Some community members expressed that the Clinic should be accessible to all residents regardless of their insurance or lack of insurance.

## **Next Steps**

At the end of the listening session, Judith Guerrero explained that the facilitator would compile the feedback received at the meeting into a summary report that would be presented at the next Farmworker Advisory Commission meeting on March 12 in Pescadero. The FAC will review and discuss the feedback and identify possible recommendations regarding the Clinic to present to the Board of Supervisors.

Tab 2 Program Budget and Financial Report

San Mateo Medical Center 222 W 39th Avenue San Mateo, CA 94403 650-573-2222 T smchealth.org/smmc

- DATE: July 10, 2025
- TO: Co-Applicant Board, San Mateo County Health Care for the Homeless/Farmworker Health (HCH/FH) Program
- FROM: Jim Beaumont Director, HCH/FH Program

SUBJECT: HCH/FH PROGRAM BUDGET AND FINANCE REPORT

Preliminary grant expenditures for June 2025 total an estimated \$189,935, bringing the mid-year grant expenditure total to approximately \$1,350,316. This does not include a number of invoices for services that were not received or processed before the report was run, in addition to some monthly charges that had not been tabulated yet. However, there are no indications of anything that would be wildly unexpected.

Based on the total year-to-date, we look to be close to where we need to be. We currently project to spend just under \$3M and our planned budget was just over \$3M. Our Salaries & Benefits are running slightly behind projections for the year, which is appropriate since salary increases occur during the last quarter of the year. Contracts are running slightly ahead of year-end-estimates, which is normal as our contractors' invoice for heavier case load counts early in the year, tapering off as we move through the year.

This also keeps us in the position to have some carryover through each of the next 2 years to provide for the slight cost of living increases built into most of our contracts. Next months report should incorporate the mid-year draw down of reimbursement for all actual expenditures, including those that periodically occur after our monthly report is run, thus bringing this report closer to exact representation of expenditures for the year.

# Tab 3 HCH/FH Director's Report

San Mateo Medical Center 222 W 39th Avenue San Mateo, CA 94403 650-573-2222 T smchealth.org/smmc

DATE: June 12, 2025

- TO: Co-Applicant Board, San Mateo County Health Care for the Homeless/Farmworker Health (HCH/FH) Program
- FROM: Jim Beaumont, Director, HCH/FH Program

SUBJECT: DIRECTOR'S REPORT & PROGRAM CALENDAR

Program activity update since the May 08, 2025, Co-Applicant Board meeting.

Program continues to work with HRSA-BPHC on resolving the final one grant condition remaining from our Operational Site Visit in January 2025. HRSA changed slightly how they wished to view services, opting to want more specific detail, resulting in us needing to submit separate Change In Scope (CIS) requests to add Oral Surgery, Endodontics and Periodontics as separate services, rather than Complex Dental as a single service. All three CIS requests have been submitted, and we await HRSA response to add the services specifically to our scope of services, and to then lift the final grant condition. As the annual Board approval of the Program's services is on today's agenda, the Board will find that Form 5A does list services including the three (3) additional items cited above.

Sundays, June 8<sup>th</sup> and 22<sup>nd</sup>, marked the implementation of the HCH/FH sponsored Sunday Clinic at Coastside Clinic for Farmworkers. Held from 8:30 to 12:30, we are beginning the process of reviewing the effort. As might be expected, there have been some unexpected challenges, but, overall, Program is pleased to provide this additional access for primary care services to Farmworkers who might not otherwise be able to access care. The next bi-weekly clinic is scheduled for July 13<sup>th</sup>.

HRSA-BPHC has announced that there will be no additional supplemental funding opportunities for FY 2025. At the same time, they announced that current supplemental awards, with the exception of the Expanded Hours awards, will be rolled into Health Center's base grant funding. Our understanding of this is that the \$500,000 per year Behavioral Health Services Expansion award will now be rolled into our base grant. As we currently have contracts covering the two years of the original award and recognizing the Board's consistent position on the high value of behavioral health services for both populations, Program will be working on how best to incorporate the funding and the services into our current base grant operational flow. HRSA-BPHC also announced that they are moving toward a four-year grant award period.

The County has changed some of its procurement and contracting policies. While on the one hand it will be a little more restrictive in using soft quote process, contracts can now be up to five years in length. See note above on prospective grant award length going forward. Program will be working on how these changes can/should/will impact Program's typical operational calendar on Needs Assessments, Strategic Planning and contracting. More to come in the future.

Seven Day Update

Program Director Annual Review	Winter
Annual QI/QA Plan – Approve	Winter
Board Chair/Vice Chair Elections	November/December

Tab 4 QI/QA Report

- DATE: July 10<sup>th</sup>, 2025
- TO: Co-Applicant Board, San Mateo County Health Care for the Homeless/Farmworker Health (HCH/FH) Program
- FROM: Frank Trinh, HCH/FH Medical Director Alejandra Alvarado, HCH/FH Clinical Services Coordinator

SUBJECT: QI/QA COMMITTEE REPORT

## • Library Expansion Project

 HCH/FH received the quarterly questionnaires from all San Mateo County library locations as a part of the library expansion project, where HCH/FH funded the San Mateo County Libraries system to provide blood pressure cuffs to library patrons. This is the second time HCH/FH received quarterly feedback, per the MOU contract between the and our program. Most usage is being seen in the Peninsula library locations. Further discussions about how to provide continued promotion, specifically for homeless and farmworker residents, is ongoing.

## • Smart Watches Project

 HCH/FH has received the Start-Up Surveys and Follow-Up surveys from the ALAS team for all device participants. ALAS had 45 farmworkers participate in this pilot effort to learn more about farmworker engagement with their health and improving daily health habits. Now that HCH/FH has received the surveys, we will begin our review and analysis of participants responses.

## Clinical Quality Measures Quarterly Reports

 HCH/FH has been working closely with the SMMC BI team and the EPIC analysts to validate the Q1 2025 quarterly reports that were received at the end of May. HCH/FH is assuring that the number of homeless and farmworker individuals listed in these reports is accurate but assuring that data collection on the database side is correct. Furthermore, HCH/FH is assuring that collection of homeless and farmworker status at registration at all clinic locations is correct. Tab 5 Request for Approval of Forms 5A-C and Program Budget

## COUNTY OF SAN MATEO HEALTH SYSTEM

San Mateo Medical Center 222 W. 39th Avenue San Mateo, CA 94403 650-573-2222 T www.sanmateomedicalcenter.org www.facebook.com/smchealth

DATE: July 10, 2025

- TO: Co-Applicant Board, San Mateo County Health Care for the Homeless/Farmworker Health (HCH/FH) Program
- FROM: Jim Beaumont, Director HCH/FH Program

SUBJECT: REQUEST FOR THE BOARD TO APPROVE SCOPE OF PROJECT

In accordance with HRSA requirements, the Board has the authority and responsibility to approve the Program's scope of project and needs to review the scope on a minimum of an annual basis.

The Program's Scope of Project includes the services, sites, providers, service area and service population. For our Program, the County (Service Area), Homeless and Farmworker populations (Service Populations), and providers (County and contract staff) are essentially pre0defined. This leaves services and sites – as represented by Forms 5A (services), B (sites), and C (other activities/sites).

Attached to this request are Forms 5A, 5B and 5C for the Board's Approval. Form 5B includes the sites previously approved for addition by the Board (Cordilleras-Canyon Oaks and Navigation Center) and recently approved for inclusion by HRSA. Form 5A includes the services required to be added as a result of our Operational Site Visit (OSV) but that are still outstanding (Oral Surgery, Endodontics, Periodontics).

We are requesting Board approval of the Program Scope of Project as defined in Forms 5A, 5B and 5C. It requires a majority vote of the Board members present to approve this request.

Attachment: Form 5A Form 5B Form 5C

San Mateo Medical Center 222 W. 39th Avenue San Mateo, CA 94403 650-573-2222 T www.sanmateomedicalcenter.org www.facebook.com/smchealth

DATE: July 10, 2025

- TO: Co-Applicant Board, San Mateo County Health Care for the Homeless/Farmworker Health (HCH/FH) Program
- FROM: Jim Beaumont, Director HCH/FH Program

SUBJECT: REQUEST FOR THE BOARD TO APPROVE 2026 GRANT YEAR BUDGET

In accordance with HRSA requirements, the Board has the authority and responsibility to approve the Program's budget.

While the Program's total budget includes all of the costs and revenue associated with SMMC, SMC Health and San Mateo County activities that provide in-scope services to the Program's service populations, the Board has direct control over the grant expenditures, and that is the budget we are requesting approval of.

Attached to this request is the projected 2026 Grant Year budget for the known and expected 2026 Grant. Any significant changes to the expected budget will be brought to the Board for approval.

We are requesting Board approval of the Program Grant Year Grant budget. It requires a majority vote of the Board members present to approve this request.

Attachment: 2026 Grant Year Grant Budget
