

Hospital Incident Command System (HICS)

MAY 13TH, 2020 | 8:30AM – 1:00PM

Purpose:

This course provides an overview of the Hospital Incident Command System (HICS) and the operation of the Hospital Command Center (HCC) during emergencies. The course includes hands-on training and use of HICS forms and tools. Training will include instruction on the Incident Action Planning (IAP) process and prepares all level of hospital management to meet the following:

- *Joint Commission Standard EM.01.01.01 EP 7:* The hospital's incident command structure is integrated and consistent with its community's command structure
- *NIMS Compliance Objective #7:* Demonstrated the use of NIMS principles and ICS Management structure in training and exercises

Training will be presented by Mary Massey of CA Hospital Association

****Light breakfast will be provided**
