Interfaith Day of Prayer for Faith, Hope and Life

Celebrating Life, Hope, and Reasons to Live

Suicide is the 10th leading cause of the death in the United States. Suicidal thoughts and behaviors affect people of every race, ethnicity, age, culture, and faith.

At the Interfaith Day of Prayer for Faith, Hope and Life, faith and secular leaders will join together to share their faith perspective on Mental Health and Suicide Prevention. We will recommit ourselves to replace misinformation, blame, fear and prejudice with truth, inclusion and love in order to offer hope and support to those most in need.

Community members, consumers, family members, faith community and behavioral health providers all welcome!

September 6-8 is the National Weekend for Faith Hope and Life.

September 10 is World Suicide Prevention Day.
