AGING AND ADULT SERVICES PUBLIC HEARING

San Mateo County Aging and Adult Services (AAS) invites community members to attend a public hearing where comments can be provided about the 2021-2022 Area Plan for Older Adults and Adults with Disabilities. The hearing will include a presentation on data gathered from the 2019 needs assessment completed by older adults and adults with disabilities. The data collected was used in the development of the Area Plan.

In addition, a discussion will take place on funding for AAS' program development and coordination activities and funding for the Priority Services of Access, In-Home Services, and Legal Assistance for FY 2021-2022.

The Commission on Aging will include the public hearing as part of its regular monthly agenda which is scheduled for:

Monday, March 8, 2021
9:00-11:00 A.M.
Meeting to be held remotely.

For additional information regarding the public hearing or for copies of the material that will be distributed at the hearing, please contact:
