STATEMENT OF INTENT
As outlined in more detail in Section II – Scope of Work, this Request for Proposal (RFP) seeks to identify qualified contractors to administer Community Care Expansion (CCE) Preservation funds on behalf of San Mateo County Behavioral Health and Recovery Services (BHRS) and San Mateo County Department of Housing (DOH), including an application and award process, and management of operational subsidies and capital improvement projects and associated contracts, including financial training and construction management, in accordance with the California Department of Social Services (CDSS) approved CCE Preservation Program: OSP & CP County Implementation Plan for the County of San Mateo. CCE Preservation is a program of the CDSS which makes funding available to counties for the preservation of licensed residential and senior care facilities serving applicants and recipients of Supplemental Security Income/State Supplementary Payment (SSI/SSP) or Cash Assistance Program for Immigrants (CAPI), including those who are experiencing or at risk of homelessness. The target start date and term for the proposed contracted services is December 1, 2023 through December 31, 2026, with a potential extension through June 30, 2029, subject to negotiation of a final agreement.

BACKGROUND

SECTION I - BACKGROUND ON THE CCE PRESERVATION PROGRAM

Overview

California has a shortage of adult and senior care facilities (e.g., Adult Residential Facilities (ARFs) and Residential Care Facilities for the Elderly (RCFEs)) that accept individuals receiving or applying for SSI/SSP or CAPI. It has also seen a decline in the number of SSI/SSP recipients residing in adult and senior care facilities. The CCE program was established by Assembly Bill (AB) 172 (Chapter 696, Statutes of 2021) to fund capital projects and promote the sustainability of residential adult and senior care facilities and to address historic gaps in the long-term care continuum. Statewide, the CCE program provides a total of $805 million in funding for acquisition, construction, and rehabilitation to preserve and expand adult and senior care facilities that serve SSI/SSP and CAPI applicants and recipients, including those who are experiencing or at risk of homelessness.

A total of $195 million Statewide is reserved for the CCE Preservation Funds, which are intended to immediately preserve and avoid the closure of licensed residential adult and senior care facilities serving qualified residents, defined as applicants or recipients of SSI/SSP or CAPI, including the “prioritized population” of qualified residents who are experiencing or at risk of homelessness (WIC sections 18999.97(c)(1) and (2)).

CCE funding opportunities are designed to address the following State of California priorities:

- Invest in behavioral health and community care options that advance racial equity.
- Seek geographic equity of behavioral health and community care options.
- Address urgent gaps in the care continuum for people with behavioral health conditions, including seniors, adults with disabilities, and children and youth.
- Increase options across the life span that serve as an alternative to incarceration, hospitalization, homelessness, and institutionalization.
- Meet the needs of vulnerable populations with the greatest barriers to access, including people experiencing homelessness and justice involvement.
- Ensure care can be provided in the least restrictive settings to support community integration, choice, and autonomy.
- Leverage county and Medi-Cal investments to support ongoing sustainability.
- Leverage the historic state investments in housing and homelessness.

The CCE Preservation Funds are divided into two components:
- **Operating Subsidy Payments (OSP):** Funds for operating subsidies to existing licensed residential adult and senior care facilities serving qualified residents. The intent of the OSP funds is to preserve and avoid the closure of critical residential adult and senior care facilities. OSP funds can cover an eligible licensed facility’s potential or projected operating deficits.

- **Capital Projects (CP):** Capital funds to preserve facilities in need of critical repairs or required upgrades, thereby potentially preventing facility closure, which could result in exits to homelessness. Funds can be applied to physical repairs and upgrades on an approved facility’s property, including inside or outside the facility, within its property line. The CP can also fund repairs needed to ensure facilities are compliant with licensing standards.

**Need for CCE Preservation Funding in San Mateo County**

San Mateo County leadership have been concerned about the declining number of Adult Residential Facilities (ARF) and Residential Care Facilities for the Elderly (RCFE) beds in the county that serve adults and older adults. In 2006 there were 8,279 beds in the combined category. In 2019 there were only 6,042, a decline of more than 25%. Of additional concern has been the limited number of these facilities that are willing to care for the target population with behavioral health issues. In 2016, BHRS contracted with 14 small ARFs and 9 RCFEs that would accept referrals of adults and older adults with behavioral health issues. By July 2022 this number had declined to only 5 contracted RCFEs that would accept these referrals. One RCFE ended its contract in June 2022. Reasons for the decline include the aging of the operators and the cost of running a board and care facility in a high-cost county such as San Mateo County. Currently there are 65 contracted RCFE beds for BHRS clients. A recent inventory found that there were 26 individuals referred for placement into an RCFE but only six open beds among the existing facilities. Referred individuals must remain in higher levels of care or in an emergency shelter for people experiencing homelessness until a bed opens up. If the individual needs a placement quickly and cannot wait, they are referred to facilities outside the county. Currently there are 189 individuals from San Mateo County placed in out of county ARFs or RCFEs, 29 of whom are over age 60.

**San Mateo County’s CCE Preservation Funding**

San Mateo County applied for CCE Preservation Funding in January 2023 and received an award in April 2023. The awarded funds consist of:

- $1,749,837 for the Operations Subsidy Program (OSP)
- $2,315,729 for the Capital Project Program (CP)

The total award is $4,065,566.
The California Department of Social Services has approved the CCE Preservation Program: OSP & CP Funds County Implementation Plan for the County of San Mateo.

The San Mateo County Department of Housing (DOH) is the local entity that will receive the funds and hold responsibility for management of the award. San Mateo BHRS is responsible for operational oversight of the funding, in collaboration with DOH.

DOH and BHRS will jointly establish a local application process for CCE funding (both OSP and CP). The potential applicant pool will consist of existing Board and Care providers in the community, including those who are already contracted BHRS providers and those who are not currently under contract with BHRS.

Funds used for the purpose of OSPs must be obligated no later than June 30, 2027, and liquidated no later than June 30, 2029. Funds used for the purposes of CPs must be obligated no later than June 30, 2024, and liquidated no later than December 31, 2026.
SECTION II - SCOPE OF WORK AND SPECIAL PROVISIONS

Summary

BHRS seeks a contractor with familiarity with the operation and rehabilitation of Board and Care facilities, application and award processes, contract negotiation and management, finance education, and construction management, to provide third-party administrator services for the CCE Preservation funding under the direction of DOH and BHRS, and in conformance with the County Implementation Plan.

The selected contractor will be responsible for the following scope of work:

Outreach and Application Technical Assistance Support

- Conduct outreach to potential applicants for CCE preservation funding. BHRS will be responsible for holding informational meetings, developing and distributing information materials, and hosting bidder’s conferences. The selected contractor will support BHRS in the development of materials, making presentations at meetings, and answering questions from potential applicants.

- Work collaboratively with DOH and BHRS to develop a Request for Proposals and application process that is appropriate to the pool of eligible applicants, many of whom are small “mom and pop” board and care operators. Application components and information required will be streamlined to the maximum extent possible, while still collecting all information needed to evaluate whether applications meet funding program requirements. Applicants will require significant assistance in completing and submitting an application.

- Work collaboratively with DOH and BHRS to provide a range of TA to potential applicants, including webinars, written materials and 1:1 TA calls.

Administration of OSP Funding

- Hold primary responsibility for evaluating applications for OSP funding, including assessment of:
  - Whether applicants are at-risk of closing their facility or selling their property if they do not receive OSP funding; including review and analysis of income and expense figures, staffing ratios, and other information;
  - The effectiveness of any actions the applicant has taken to address their financial situation;
  - The length of time the provider has been operating, ownership of their facility and the available value of the facility if owned, the number of
qualified residents served over time; the level of debt-to-income ratio; and the value of any liquid assets.

- Making determinations about how much OSP funding the applicant qualifies for, based on information such as number of qualified residents served, number of beds that would be lost of an award is not made; and the impact of the award, particularly as it relates to communities of lower socio-economic status, communities of color or underserved or unserved communities.

- Upon award of OSP funds, the contractor will negotiate and manage a contract with each applicant that is between the applicant and the County, determine technical assistance needs of the awardee and provide direct guidance to improve financial management practices, including updating or establishing financial policies and procedures, recommending or requiring training courses and monitoring successful completion, and engaging professional financial services to strengthen the financial worthiness of the awardee.

- Review quarterly progress reports and annual financial reports from grantees to ensure project finances are trending well. Determine whether there are any concerns or red flags that could result in a suspension of dispersing funds, and monitoring of the resolution to assure the grantee has effectively addressed the root cause.

**Administration of CP Funding**

- Work with each awardee to negotiate and manage a contract between the awardee and the County, match the project to a pool of County contracted general contractors, and manage the project.

- Work with each grantee and contractor to develop a scope of work, timeline and budget for the improvements.

- Ensure compliance with codes and standards, assure proper permits are secured and fees are paid as well as inspections completed.

- Disperse funds directly to the contractor.

- Monitor compliance with each project scope of work and validate that the contractor is following the scope of work prior to dispersing funds.

- Review required data and reporting to ensure it conforms to the County and funding source requirements.
The third-party administrator shall audit invoices received and verify that the work represented in the invoice has been successfully completed and proof that the work undertaken was properly permitted by the local jurisdiction.

**Length of Agreement**

The anticipated duration of the agreement will be for 37 months with the term tentatively to begin December 1, 2023, and end December 31, 2026. There may be an option to renew for additional 30 months through June 30, 2029, pending program evaluation, availability of funding, and DOH and BHRS approval.

**Funding**

San Mateo County applied for CCE Preservation Funding in January 2023 and received an award in April 2023. The awarded funds consist of:

- $1,749,837 for the Operations Subsidy Program (OSP)
- $2,315,729 for the Capital Project Program (CP)

The total award is $4,065,566, which is comprised of State general funds and State Fiscal Recovery Funds established by the American Rescue Plan Act of 2021. The Capital Project funds require a match, so those funds will also consist of 10% of local Mental Health Services Act funds and in-kind match.

Partial uploads will automatically terminate and proposals will be rejected. The Public Purchase submission time will be the official submission time. Contact Public Purchase with technical questions regarding the site. The County will not be responsible for and may not accept proposals that are late due to slow internet connections or for any other failure of the Public Purchase system.

(2) **Conflicts between Certain Requirements**

Prior to the submission deadlines and solely relating to a determination of the timeliness of questions, comments, and proposal submissions, information displayed on the Public Purchase site will take precedence in the event of a discrepancy between that information and the information within the solicitation documents. For all other discrepancies, the information in the solicitation documents will take precedence.

**Errors in Proposals**

The County will not be liable for any errors in proposals. Proposals may be rejected as unresponsive if they are incomplete, are missing pages or information,
or cannot be opened for any reason. The County may waive minor irregularities but such waiver will not modify any remaining RFP requirements.

**PROPOSER CERTIFICATIONS**

By submitting a proposal, each proposer certifies under penalty of perjury that:

- Its submission is not the result of collusion or any other activity that would tend to directly or indirectly influence the selection process; and
- Proposer is able or will be able to comply with all requirements of this solicitation at the time of contract award; and
- Neither proposer, its employees, nor any affiliated firm providing the requested goods and services has prepared plans, specifications, terms or requirements for this solicitation, or has any other actual or potential conflict of interest; and
- Proposer is aware of the provisions of Section 1090 et seq. and Section 87100 et seq. of the California Government Code relating to conflict of interest of public officers and employees, and is unaware of any financial or economic interest of any County officer or employee relating to this solicitation.

**WITHDRAWAL OF PROPOSALS**

Proposals may be withdrawn, modified, or replaced at any time prior to the Due Date and Time. After that time, whether or not a new solicitation is issued for the same subject matter, withdrawal of a proposal may preclude the proposer from participating in the procurement as a proposer or subcontractor, except that an original equipment manufacturer may participate indirectly through a reseller.

**NO COMMITMENT**

Neither submission of a proposal nor the County’s receipt of proposal materials confers any right to the proposer nor any obligation on the County. This RFP does not commit the County to award a contract, nor will the County defray any costs incurred in preparing proposals or participating in any presentations or negotiations.

**ESTIMATED QUANTITIES**

If the solicitation results in an indefinite quantity or a requirements Agreement, the goods and services actually requested by the County may be less than the maximum value of the Agreement and there is no guarantee, either expressed or implied, as to the actual quantity of goods and services that will be authorized under the Agreement.

**PROPOSER SELECTION**

At any time in the evaluation process, the County may request clarifications from proposers.

**M. Determination of Responsiveness**
A responsive proposal conforms to the instructions set forth in this solicitation and any modifications to it. Non-responsive proposals will be rejected. The County, in its sole discretion, may waive non-consequential deviations if the deviations cannot have provided an advantage over other proposers.

**N. Proposal Evaluation**

The County will establish an evaluation committee which will evaluate responsive proposals based on the criteria specified in the solicitation. The committee may then recommend one or more top-ranked proposers for final negotiation of contract terms, or may invite one or more proposers for oral presentations and demonstrations, following which those proposers may be allowed to amend their proposals. After evaluating presentations and amended proposals, the committee may recommend one or more top-ranked proposers for final negotiation of contract terms.

**O. Determination of Responsibility**

The County will make a determination of the responsibility of any proposer under consideration for award, taking into consideration matters such as the proposer’s integrity, compliance with public policy and laws, past performance, fiscal responsibility, trustworthiness, financial and technical resources, capacity, and experience to satisfactorily carry out its responsibilities. The County will notify any proposer found non-responsible and allow the finding to be contested.

**CONTRACT AWARD**

**P. Notice of Intent to Award**

Once a decision has been made to award a contract to one or more proposers, the County will post a Notice of Intent to Award, notifying the remaining proposers of their non-selection. The posting may be inclusion of the recommendation to award as an agenda item on the Board of Supervisors schedule.

**Q. Award Procedure**

Contract negotiations are neither an offer nor an implicit guarantee that a contract will be executed. Award, if made, will be to the responsive, responsible proposer offering the overall best value to the County for the services and goods described in this solicitation, or as applicable, for a specific portion of the services and goods described. Any agreement reached will be memorialized in a formal agreement using the attached Standard Agreement template.

**R. Commencement of Performance**

After all parties have signed the Agreement, the County will notify the proposer and performance may proceed. Prior to County execution of the Agreement, no County employee may authorize work. Any work performed prior to that time may be uncompensated.

**PROTESTS**
Protests that do not comply with the protest procedures outlined below will be rejected.

S. Protest Eligibility, Format, and Address

Protests or objections may be filed regarding the procurement process, the content of the solicitation or any addenda, or contract award.

The County will only review protests submitted by an interested party, defined as an actual or prospective proposer whose direct economic interest could be affected by the County’s conduct of the solicitation. Subcontractors do not qualify as interested parties.

Submit protests to the BHRS Management Analyst, Kim Lorica, at KLorica@smcgov.org or via hard copy to: Kim Lorica, Management Analyst, San Mateo County Behavioral Health & Recovery Services, 2000 Alameda de las Pulgas, Suite 280, San Mateo, CA 94403.

T. Protest Deadlines

Submit protests with any supplemental materials by October 2, 2023, 4:00 p.m. PST, as appropriate, on the deadlines set forth below. The date of filing is the date the County receives the protest, unless received after 4:00 p.m. PST, or on other than a Business Day, in which case the date of filing will be the next Business Day. Failure to file by the relevant deadline constitutes a waiver of any protest on those grounds. Supplemental materials filed after the relevant deadline may be rejected by the County.

If relating to the content of the solicitation or to an addendum, file within five Business Days after the date the County releases the solicitation or addendum.

(1) If relating to any notice of non-responsiveness or non-responsibility, file within five Business Days after the County issues such notice.

(2) If relating to intent to award, file within five Business Days after the County issues notice of Intent to Award. No protests will be accepted once actual award has been made.

U. Protest Contents

The letter of protest must be addressed to the Chief of Health. The letter of protest must include all of the following elements:

(a) Detailed grounds for the protest, fully supported with technical data, test results, documentary evidence, names of witnesses, and other pertinent information related to the subject being protested; and

(b) The law, rule, regulation, ordinance, provision or policy upon which the protest is based, with an explanation of the violation.

Protests that simply disagree with decisions of the Evaluation Committee will be rejected.

V. Reply to Protest
The County will send a written response to the protestors and to any other party named in the protest.

**W. No Stay of Procurement Action during Protest**

Nothing in these protest requirements will prevent the County from proceeding with negotiations or awarding a purchase order or contract while a protest is pending.

**PUBLIC RECORDS**

**X. General**

All proposals, protests, and information submitted in response to this solicitation will become the property of the County and will be considered public records. As such, they may be subject to public review.

Any contract arising from this RFP will be a public record.

Submission of any materials in response to this RFP constitutes:

(a) Consent to the County’s release of such materials under the Public Records Act without notice to the person or entity submitting the materials; and

(b) Waiver of all claims against the County and/or its officers, agents, or employees that the County has violated a proposer’s right to privacy, disclosed trade secrets, or caused any damage by allowing the proposal or materials to be inspected; and

(c) Agreement to indemnify and hold harmless the County for release of such information under the Public Records Act; and

(d) Acknowledgement that the County will not assert any privileges that may exist on behalf of the person or entity submitting the materials.

**Y. Confidential Information**

The County is not seeking proprietary information and will not assert any privileges that may exist on behalf of the proposer. Proposers are responsible for asserting any applicable privileges or reasons why a document should not be produced in response to a public record request.

If submitting information protected from disclosure as a trade secret or any other basis, identify each page of such material subject to protection as “CONFIDENTIAL”. If requested material has been designated as confidential, the County will attempt to inform the proposer of the public records request in a timely manner to permit assertion of any applicable privileges.

Failure to seek a court order protecting information from disclosure within ten days of the County’s notice of a request to the proposer will be deemed agreement to disclosure of the information and the proposer agrees to indemnify and hold the County harmless for release of such information.

Requests to treat an entire proposal as confidential will be rejected and deemed agreement to County disclosure of the entire proposal and the
proposer agrees to indemnify and hold the County harmless for release of any information requested.

Trade secrets will only be considered confidential if claimed to be a trade secret when submitted to the County, marked as confidential, and compliant with Government Code Section 7924.51.

*   *   *

Whereas, pursuant to Section 31000 of the California Government Code, County may contract with independent contractors for the furnishing of such services to or for County or any Department thereof; and

Whereas, it is necessary and desirable that Contractor be retained for the purpose of [Enter information here].

Now, therefore, it is agreed by the parties to this Agreement as follows:

1. **Exhibits and Attachments**

   The following exhibits and attachments are attached to this Agreement and incorporated into this Agreement by this reference:

   - Exhibit A—Services
   - Exhibit B—Payments and Rates
   - Attachment H—HIPAA Business Associate Requirements *(Complete HIPAA checklist if unsure about Business Associate or Non Business Associate; delete this if not needed; contact County Counsel with questions)*
   - Attachment I—§ 504 Compliance *(Delete this if not needed)*
   - Attachment IP – Intellectual Property *(Complete IP Questionnaire if unsure/delete this if not needed)*

2. **Services to be performed by Contractor**

   In consideration of the payments set forth in this Agreement and in Exhibit B, Contractor shall perform services for County in accordance with the terms, conditions, and specifications set forth in this Agreement and in Exhibit A.

3. **Payments**

   In consideration of the services provided by Contractor in accordance with all terms, conditions, and specifications set forth in this Agreement and in Exhibit A, County shall
make payment to Contractor based on the rates and in the manner specified in Exhibit B. County reserves the right to withhold payment if County determines that the quantity or quality of the work performed is unacceptable. In no event shall County’s total fiscal obligation under this Agreement exceed DOLLARS ($__). In the event that the County makes any advance payments, Contractor agrees to refund any amounts in excess of the amount owed by the County at the time of contract termination or expiration. Contractor is not entitled to payment for work not performed as required by this agreement.

4. **Term**

Subject to compliance with all terms and conditions, the term of this Agreement shall be from July 1, 2016 through June 30, 2017.

5. **Termination**

This Agreement may be terminated by Contractor or by the Chief of the Health System or his/her designee at any time without a requirement of good cause upon thirty (30) days’ advance written notice to the other party. Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that prorated portion of the full payment determined by comparing the work/services actually completed to the work/services required by the Agreement.

County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon the unavailability of Federal, State, or County funds by providing written notice to Contractor as soon as is reasonably possible after County learns of said unavailability of outside funding.

County may terminate this Agreement for cause. In order to terminate for cause, County must first give Contractor notice of the alleged breach. Contractor shall have five business days after receipt of such notice to respond and a total of ten calendar days after receipt of such notice to cure the alleged breach. If Contractor fails to cure the breach within this period, County may immediately terminate this Agreement without further action. The option available in this paragraph is separate from the ability to terminate without cause with appropriate notice described above. In the event that County provides notice of an alleged breach pursuant to this section, County may, in extreme circumstances, immediately suspend performance of services and payment under this Agreement pending the resolution of the process described in this paragraph. County has sole discretion to determine what constitutes an extreme circumstance for purposes of this paragraph, and County shall use reasonable judgment in making that determination.
6. **Contract Materials**

At the end of this Agreement, or in the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and other written materials (collectively referred to as “contract materials”) prepared by Contractor under this Agreement shall become the property of County and shall be promptly delivered to County. Upon termination, Contractor may make and retain a copy of such contract materials if permitted by law.

7. **Relationship of Parties**

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

8. **Hold Harmless**

   a. **General Hold Harmless**

Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

   (A) injuries to or death of any person, including Contractor or its employees/officers/agents;

   (B) damage to any property of any kind whatsoever and to whomsoever belonging;

   (C) any sanctions, penalties, or claims of damages resulting from Contractor’s failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or

   (D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor’s duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.
The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

b. **Intellectual Property Indemnification** (You may delete entire IP Indemnification section if not relevant – County Counsel review is not required if section is deleted)

Contractor hereby certifies that it owns, controls, and/or licenses and retains all right, title, and/or interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and/or other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets (collectively referred to as “IP Rights”) except as otherwise noted by this Agreement.

Contractor warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third party. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party’s IP Rights provided any such right is enforceable in the United States. Contractor’s duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor’s expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County’s prior written consent, not to be unreasonably withheld, and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on County, impair any right of County, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of County without County’s prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Contractor’s opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County’s reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor’s option and expense, either: (i) procure for County the right to continue using the services without infringement or (ii) replace or modify the services so that they become non-infringing but remain functionally equivalent.
Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

9. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County’s prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice.

10. Insurance

a. General Requirements

Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County’s Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor’s coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days’ notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

b. Workers’ Compensation and Employer’s Liability Insurance

Contractor shall have in effect during the entire term of this Agreement workers’ compensation and employer’s liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers’ compensation or to undertake self-insurance in accordance with the provisions
of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.

c. **Liability Insurance**

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor’s operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

(a) Comprehensive General Liability… $1,000,000

(b) Motor Vehicle Liability Insurance… $1,000,000

(c) Professional Liability………………. $1,000,000

You may delete (b) or (c) text if those insurance types are not relevant to your contract – County Counsel review is not required if one or both of those lines are deleted. However, if you are unsure about insurance requirements for your contract – call Risk Management before your contract is executed)

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

11. **Compliance With Laws**

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws,
ordinances, and regulations, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement.

Further, Contractor certifies that it and all of its subcontractors will adhere to all applicable provisions of Chapter 4.106 of the San Mateo County Ordinance Code, which regulates the use of disposable food service ware. Accordingly, Contractor shall not use any non-recyclable plastic disposable food service ware when providing prepared food on property owned or leased by the County and instead shall use biodegradable, compostable, reusable, or recyclable plastic food service ware on property owned or leased by the County. *(This paragraph may be deleted without County Counsel Review if not relevant to this agreement)*

Contractor will timely and accurately complete, sign, and submit all necessary documentation of compliance.

12. **Non-Discrimination and Other Requirements**

   a. **General Non-discrimination**

   No person shall be denied any services provided pursuant to this Agreement (except as limited by the scope of services) on the grounds of race, color, national origin, ancestry, age, disability (physical or mental), sex, sexual orientation, gender identity, marital or domestic partner status, religion, political beliefs or affiliation, familial or parental status (including pregnancy), medical condition (cancer-related), military service, or genetic information.

   b. **Equal Employment Opportunity**

   Contractor shall ensure equal employment opportunity based on objective standards of recruitment, classification, selection, promotion, compensation, performance evaluation, and management relations for all employees under this Agreement. Contractor’s equal employment policies shall be made available to County upon request.
c. **Section 504 of the Rehabilitation Act of 1973**

Contractor shall comply with Section 504 of the Rehabilitation Act of 1973, as amended, which provides that no otherwise qualified individual with a disability shall, solely by reason of a disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination in the performance of any services this Agreement. This Section applies only to contractors who are providing services to members of the public under this Agreement.

d. **Compliance with County’s Equal Benefits Ordinance**

Contractor shall comply with all laws relating to the provision of benefits to its employees and their spouses or domestic partners, including, but not limited to, such laws prohibiting discrimination in the provision of such benefits on the basis that the spouse or domestic partner of the Contractor's employee is of the same or opposite sex as the employee.

e. **Discrimination Against Individuals with Disabilities**

The nondiscrimination requirements of 41 C.F.R. 60-741.5(a) are incorporated into this Agreement as if fully set forth here, and Contractor and any subcontractor shall abide by the requirements of 41 C.F.R. 60–741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

f. **History of Discrimination**

Contractor certifies that no finding of discrimination has been issued in the past 365 days against Contractor by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or any other investigative entity. If any finding(s) of discrimination have been issued against Contractor within the past 365 days by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or other investigative entity, Contractor shall provide County with a written explanation of the outcome(s) or remedy for the discrimination prior to execution of this Agreement. Failure to comply with this Section shall constitute a material breach of this Agreement and subjects the Agreement to immediate termination at the sole option of the County.

g. **Reporting; Violation of Non-discrimination Provisions**

On November 1, 2016, the Board of Supervisors of the County of San Mateo adopted an Ordinance establishing a five-year living wage pilot program for service contracts entered into by the County. All contractors and subcontractors providing services under a County contract are subject to the Living Wage Ordinance (LWO). All Full-time, part-time, temporary, and permanent employees are covered under the LWO. Contracts entered into prior to January 1, 2017, are not subject to LWO. Compliance with the LWO will be voluntary for new contracts entered into between January 1, 2017, and March 31, 2017, inclusive. Contracts entered into on or after April 1, 2017, must comply with the LWO.
