

NOTICE OF RFP CANCELATION

On June 27, 2018 Behavioral Health and Recovery Services determined that it was in the best interests of the County to cancel the Request for Proposal (RFP) process at this time for Multi-Cultural Wellness Program Services, Coastside Community.

The cancelation of the RFP will allow BHRS to conduct a needs assessment with the Coastside Community and offer clients/consumers, their family members and residents an opportunity to have more in-depth input on the needs, structure and types of services and activities that would create a meaningful multi-cultural wellness program.

BHRS plans to use the feedback from the community to restructure and reissue the RFP for Multi-Cultural Wellness Program Services for the Coastside Community at a later date.

If you have any questions regarding this change, please feel free to contact me.

Sincerely,

Susann Reed
