*Note:* Some medical waste transporters serve as distributors of mail-back kits — consult the Program’s list of medical waste transporters. Also, many medical supply companies as well as solid waste pickup services offer mail-back containers. Before purchasing, verify that the product offered is on the above list.

► For additional information on requirements for use of these mail-back systems, contact your local health or environmental health agency, or the State Department of Public Health, Medical Waste Management Program, at (916) 449-5671.
