Thursday, May 11, 2023

In-person: Marita Leth, Kathy Uhl, Monika Lee, Irene Liana

Online: Joyce Porter, Ophelie Vico

Called to order at 2:37PM

No changes to notes from prior meeting

No changes to Agenda, except removing Meeting time discussion: already clarified this at previous meeting

Kathy thanked Monika for her work presenting to the CoA on Monday

Advocacy goal is to request shared funding in ridership

Possibly reach out to other age friendly groups to see if other counties have an arrangement for county-wide ridership program

Helpful to have someone with good technology skills to centralize all the data and information

Idea was to recruit a high school student to create a map/visualization of data to understand ridership options throughout the County

Andrew suggested to meet with Youth Commission and ask for a volunteer, but must be very clear in what is being asked (i.e. scope of work for map project)

Monika will bring this idea to Exec Committee to recruit a liaison from the Youth Commission
