Fogging Location (as of 5/27/16) | Date
--- | ---
N/A | N/A

Note: Questions regarding mosquito fogging activities should be directed to the San Mateo County Mosquito & Vector Control District at (650) 344-8592.

Worried about Zika?

Zika Virus is transmitted by *Aedes aegypti* and *Aedes albopictus* mosquitoes. Though *Aedes aegypti* have previously been detected, neither *Aedes aegypti* or *Aedes albopictus* have an established presence in San Mateo County.

**DEAD BIRD REPORTING:**
- All dead bird reports and pick up should be directed to the California Department of Public Health by:
  - Calling 1-877-WNV-BIRD (877-968-2473), Sunday through Friday, 8 AM—4:30 PM
- Birds or squirrels which are not picked up within 24 hours should be disposed of in the following manner:
  - Use gloves, a plastic bag, or shovel to pick up the animal
  - Place into an outside trash can
  - Wash your hands
- There is no evidence that the WNV virus can be acquired by handling dead birds or squirrels
