### San Mateo County Mosquito & Vector Control District Response

<table>
<thead>
<tr>
<th>Fogging Location</th>
<th>Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Redwood City and Atherton</td>
<td>7/29 PM—7/30 AM</td>
</tr>
<tr>
<td>Atherton and Unincorporated San Mateo County</td>
<td>8/4 PM—8/5 AM</td>
</tr>
<tr>
<td>San Mateo and Foster City</td>
<td>8/14 PM—8/15 AM</td>
</tr>
</tbody>
</table>

Note: Questions regarding mosquito fogging activities should be directed to the San Mateo County Mosquito & Vector Control District at (650) 344-8592.

### That’s a Wrap!

There have been no human cases of West Nile Virus in San Mateo County this season. West Nile Virus activity is highest in the summer months, and the end of October marks the end of the West Nile Virus season. However, with the rainy season only beginning and warmer temperatures still lingering, it is important to continue to take steps to protect yourself from mosquito bites.

### DEAD BIRD REPORTING:
- All dead bird reports and pick up should be directed to the California Department of Public Health by:
  - Calling 1-877-WNV-BIRD (877-968-2473), Sunday through Friday, 8 AM—4:30 PM
  - OR
- Birds or squirrels which are not picked up within 24 hours should be disposed of in the following manner:
  - Use gloves, a plastic bag, or shovel to pick up the animal
  - Place into an outside trash can
  - Wash your hands
- There is no evidence that the WNV virus can be acquired by handling dead birds or squirrels
