Present data to Executive Team Report trends and current data to QIC and leadership 	<ul style="list-style-type: none"> Annual Reports to Executive Team and QIC 	QM Staff Tracey Chan	June 2024	
JT	QI	8	Tracking of timeliness data for Mental Health Plan (MHP) Substance Use (SUDS) and Foster Care (FC) clients. (see definition of a new client)	<ul style="list-style-type: none"> Include data for BHRS and contract agencies serving SDMC clients. Report to Executive Team and QIC, timeliness data annually. 	<ul style="list-style-type: none"> % of clients being offered or receiving an assessment appointment 10 days from request to first appointment. % of new clients receiving Psychiatry Services within 15 days from request/assessment to first psychiatric service. Track Timeliness from assessment to first treatment appointment Track Timeliness from request for Urgent appointment to actual encounter. (48 hrs for non-authorized service; 96 hrs for pre- authorized services) 	QM Manager Eri Tsujii Chad Kempel	June 2024	
JT	AC	9	Improve customer service and satisfaction for San Mateo County Access Call Center for MH/SUD	<ul style="list-style-type: none"> Review and Revise, as needed, standards for answering calls Provide training for Optum call center staff on standards for answering calls. 	<ul style="list-style-type: none"> Test calls and call logs 90% test call rated as positive 	Access Call Center QM Staff	June 2024	
JT	AC	10	Monitor 24/7 access to care through Call Center and Optum. 100% of calls will be answered. 100% of test callers will be	<ul style="list-style-type: none"> Make 4 test calls quarterly to 24/7 toll-free number for AOD and Mental Health services. 	<ul style="list-style-type: none"> 95 % or more calls answered 95 % or more test calls logged. 100% of requested interpreters provided 	Annina Altomari QM Staff	June 2024	

			provided information on how/where to obtain services if needed.	<ul style="list-style-type: none"> • Make 1 test call in another language and 1 for AOD services • QM will report to call center the outcome of test calls 	<ul style="list-style-type: none"> • 75% of call will be rated satisfactory (Caller indicated they were helped) 			
JT	GN	11	Grievances will be resolved within 90 days of receipt of grievance and appeals within 30-day timeframe, expedited appeals will be resolved within 72 hours after receipt of expedited appeal in 100% of cases filed.	<ul style="list-style-type: none"> • Grievance and appeals regularly addressed in Grievance and Appeal Team (GAT) Meeting. 	<ul style="list-style-type: none"> • Annual reports on grievances, appeals, and State Fair Hearings to QIC. • Annual report with % of issues resolved to client/family member fully favorable or favorable. • Annual report with % grievances/appeals resolved within 90/30 days. 	GAT Team	June 2024	
JT	GN	12	Ensure that providers are informed of the resolution of all grievances and given a copy of the letter within 90 days of the grievance file date. This will have documented in the GAT file 100% of the time.	<ul style="list-style-type: none"> • Audit the grievance resolution folders quarterly to ensure that there is evidence that providers have been informed of the resolution. 	<ul style="list-style-type: none"> • 80% of providers will receive the grievance resolution at the time the client is informed. This will be documented in the GAT file. • (Baseline 50%) 	GAT Team Annina Altomari Claudia Tinoco	June 2024	
JT	GN	13	Ensure that Grievance and NOABD process follow Policies and procedures for handling grievances.	<ul style="list-style-type: none"> • GAT will review all relevant revisions to the 2019 (Policy 19-01) Grievance Protocol and make any changes required. • Train BHRS staff and contractors on new grievance procedures • Track compliance with new Grievance and NOABD policy 	<ul style="list-style-type: none"> • # of successfully issued NOABDs • # of Appeals completed with outcome % for favorable outcomes for client • # of successfully completed Grievances 	GAT Team Tracey Chan	June 2024	
JT	GN	14	Decision for client's requested Change of Provider within 2 weeks	<ul style="list-style-type: none"> • Change of Provider Request forms will be sent to Quality Management for tracking. • Obtain baseline/develop goal. 	Annual review of requests for change of provider.	Tracey Chan QM Staff	June 2024	
JT	CS	15	Providers will be informed of results of the beneficiary/family satisfaction surveys semi-annually.	<ul style="list-style-type: none"> • Inform providers/staff of the results of each survey within a specified timeline. (MHP = 2x per year, ODS = 1x per year) 	<ul style="list-style-type: none"> • Notify programs, according to MHP/ODS requirements, consumer survey results • Presentation and notification of the results yearly. 	QM Manager Scott Gruendl Clara Boyden	June 2024	
JT	CS	16	Improve cultural and linguistic competence	<ul style="list-style-type: none"> • "Working Effectively with Interpreters in Behavioral Health" refresher course training will be required for all direct service staff every 3 years. 	<ul style="list-style-type: none"> • 100% of new staff will complete in-person "Working Effectively with Interpreters in Behavioral Health" • 75% of Existing staff who have taken the initial training will take the refresher training at least every three years. 	Maria Lorente-Foresti Doris Estremera Claudia Tinoco	June 2024	
JT	CS	17	Improve Linguistic Access for clients whose preferred language is other than English	<ul style="list-style-type: none"> • Services will be provided in the clients preferred language 	<ul style="list-style-type: none"> • % Of clients with a preferred language other than English receiving a service in their preferred language 	Doris Estremera Maria Lorente-Foresti Chad Kempel Claudia Tinoco	June 2024	
JT	CS	18	Enhance Understanding and Use of Cultural Humility as an effective practice when working with diverse populations.	<ul style="list-style-type: none"> • All staff will complete mandatory training on cultural humility 	<ul style="list-style-type: none"> • 65% of staff will complete the Cultural Humility training. 	Doris Estremera Maria Lorente-Foresti Claudia Tinoco	June 2024	
DMC	DMC	19	Develop and implement a Youth SUD Assessment tool.	<ul style="list-style-type: none"> • Work with clinical consultants and youth SUD treatment providers to develop an ASAM-based SUD Assessment tool specific to youth ages 12-17 and 18-21. Train contracted 	<ul style="list-style-type: none"> • The development of a youth SUD Assessment tool. • Import tool into Avatar. • Training and implementing with providers serving youth 17 and under, and with providers serving young people 18-21. 	DMC-ODS Staff IT Manager	June 2024	

				providers on its usage and implement in Avatar EMR.	<ul style="list-style-type: none"> • % of client charts audited with a completed Youth SUD Assessment tool. 			
DMC	DMC	20	Develop and Implement a Youth Health Screening Tool	<ul style="list-style-type: none"> • Work with clinical consultants, youth SUD treatment providers, and medical directors to develop a youth health screening tool specific to youth ages 12-17 and 18-21. 	<ul style="list-style-type: none"> • The development of a youth health screening tool. • Import into Avatar. • Training and implementing with providers serving youth 17 and under, and with providers serving young people 18-21. • % of client charts audited with a completed youth health screening tool. 	DMC-ODS Staff	June 2024	
DMC	DMC	21	Care Coordination: Strategies to avoid hospitalizations and improve follow-up appointments. Clients discharged from residential detox services are referred and admitted follow-up care.	<ul style="list-style-type: none"> • ASAM evaluation and treatment referral completed prior to residential detox discharge. • Coordinate the detox discharge and subsequent admission/appointment to appropriate follow-up care. 	<ul style="list-style-type: none"> • # of Res Detox discharges • % of clients admitted to a subsequent follow up appointment/treatment with 7 days of residential detox discharge • % of clients re-admitted to detox within 30 days 	Eliseo Amezcua Mary Taylor Fullerton Sheryl Uyan	June 2023	
DMC	DMC	22	Monitor Service Delivery System: Increase treatment provider compliance with DMC-ODS documentation regulations.	<ul style="list-style-type: none"> • Design and implement a plan for County review of SUD treatment provider Medi-Cal beneficiary charts to allow remote monitoring for COVID-19 safety practices. • Develop an audit tool and protocols in for remote chart audits in conjunction with QM; may include auditing in Avatar and scanning charts. • Pilot Audit with each of the DMC-ODS providers 	<ul style="list-style-type: none"> • # of charts reviewed for each DMC-ODS providers 	Sheryl Uyan Desirae Miller Christine O'Kelly	June 2024	
DMC	DMC	23	Develop and Implement a Training Plan for provider direct service staff that complies with DMC-ODS STC requirements around Evidenced-Based Practices (EBPs.)	<ul style="list-style-type: none"> • Review BHRS Standards of Care (SOC,) DMC-ODS Special Terms and Conditions (STC,) the Intergovernmental Agreement • Develop of an annual Training Plan that incorporates Evidenced-Based Practices. • Implement training plan 	<ul style="list-style-type: none"> • Copy of training plan protocol • # of trainings offered 	WET Director Sheryl Uyan Mary Fullerton Christine O'Kelly Michelle Sudyka	June 2024	
DMC	DMC	24	80% of all provider direct service staff will be trained in at least 2 Evidenced-Based Practices as identified in the DMC-ODS STCs.	<ul style="list-style-type: none"> • Implement Training Plan for provider clinicians, counseling and supervisory staff. • Conduct personnel file reviews to confirm evidence of training on at least 2 EBPs. • Explore with BHRS Workforce Education and Training Coordinator and with Providers possible methods to improve access and compliance with EBP training requirements. 	<ul style="list-style-type: none"> • % of all provider clinicians, counseling staff, and supervisors will be trained in at least 2 EBPs. • FY 18-19 performance is 28% 	Sheryl Uyan Christine O'Kelly WET Director Michelle Sudyka	June 2024	
DMC	DMC	25	All providers who are Licensed Practitioners of the Healing Arts (LPHA) clinicians will receive at least 5 hours of Addiction Medicine Training annually.	<ul style="list-style-type: none"> • Implement a Training Plan for provider clinicians. 	<ul style="list-style-type: none"> • % of all provider LPHA clinicians will receive at least 5 hours of addiction medicine training annually. • FY 17/18 baseline is 35%. • FY 18/19 = 55%. 	Sheryl Uyan Christine O'Kelly	June 2024	

DMC	DMC	26	Monitor Service Delivery System: Create AVATAR reports needed to monitor and evaluate DMC-ODS in relation to established performance measures and standards	<ul style="list-style-type: none"> • Implement Avatar SUD enhancements to collect data for measures. • Identified reports are created in Avatar • Reports are reviewed quarterly for monitoring system quality and performance as sufficient data is available within the system. 	<ul style="list-style-type: none"> • List of reports developed that meet reporting requirement for DMC-ODS 	Scott Gruendl Clara Boyden Sheryl Uyan Mary Fullerton Eddie Lau Dave Williams Chad Kempel	June 2024	
DMC	DMC	27	Timeliness of first contact to first appointment: BHRS will track time from first request to first appointment for Outpatient SUD and Opioid Treatment Programs.	<ul style="list-style-type: none"> • Develop a process to analyze timeliness data quarterly for: <ul style="list-style-type: none"> ○ Outpatient SUD services (excluding Opioid Treatment Programs) ○ Opioid Treatment Programs • Share data for BHRS programs and contractor agencies serving DMC-ODS clients • NRT providers will monitor and track timely access to services, from the time of first request to the time of first appointment. • Report timeliness data annually with NACT Submission on April 1, 2022. 	<ul style="list-style-type: none"> • % of client's receiving an Outpatient SUD Service within 10 days from request to first appointment. • % of clients admitted to treatment within 24 hours of making a request for Narcotic Replacement Therapy. (County Standard) • % of clients starting an Opioid Treatment Programs within 3 days from request to first appointment. (State measure/reference only; data not reported as County standard is more stringent). 	Chad Kempel Mary Taylor Fullerton Matt Boyle Diana Campos Gomez Eri Tsujii	June 2024	
DMC	DMC	28	Comply with SABG requirements for Pre-Award Risk Assessments	<ul style="list-style-type: none"> • Complete SABG Pre-Award Risk Assessment tools annually, prior to renewing or starting a new contract. 	<ul style="list-style-type: none"> • % of contracted SUD treatment programs receiving SABG funding with a completed Risk Assessment prior to contract renewal. 	Sheryl Uyan Christine O'Kelly Desirae Miller	June 2024	
DMC	DMC	29	Care Coordination: Care will be coordinated with physical health and mental health service providers.	<ul style="list-style-type: none"> • Implementing contract standard for physical health and mental health care coordination of services at the provider level • Audit charts to monitor compliance with standard • Develop system-wide coordination meeting with providers • Analyze TPS client survey data to monitor client satisfaction with care coordination 	<ul style="list-style-type: none"> • % of audited client charts which comply with DMC ODS physical health examination requirements. • % of MD reviewed physical health examinations with a subsequent referral to physical health services. • % of audited client charts with a completed ACOK screening • % of positive AC OK Screens with a subsequent referral to mental health services. 	Sheryl Uyan Christine O'Kelly Desirae Miller Eliseo Amezcua Mary Fullerton	June 2024	
DMC	DMC	30	Assess client experience of SUD services through annual survey.	<ul style="list-style-type: none"> • Conduct annual TPS Survey with all provider/beneficiaries • Analyze TPS data and share findings with providers and stakeholders. 	<ul style="list-style-type: none"> • % percent of clients surveyed who indicate "staff were sensitive to my cultural background (race, religion, language, etc.)" on an annual treatment perceptions survey. <ul style="list-style-type: none"> ○ FY 19/20: 88.8 % (N=228) – baseline • % of clients surveyed who indicated "I chose my treatment goals with my provider's help" as determined by the annual SUD treatment perception survey. <ul style="list-style-type: none"> ○ FY 19/20: 90.8 % (N=228) – baseline • % of clients surveyed who indicated, "As a direct result of the services I am receiving, I am better able to do the things that I want to do" as determined by the annual SUD treatment perception survey <ul style="list-style-type: none"> ○ FY 19/20: 90.8% (N=228) - baseline 	Sheryl Uyan Christine O'Kelly Desirae Miller Mary Fullerton	June 2024	

MH	PIP	32	BHRS will continue to work on two on-going Performance Improvement Projects (PIP) for the MHP	<ul style="list-style-type: none"> Continue with second year of current non-clinical PIP (BHQIP FUM PIP) Develop an additional clinical MH PIP Analyze data to measure progress on the clinical and non-clinical PIPs. Ensure that FUM PIP meets both EQRO and BHQIP requirements. Identify additional interventions to address the identified problem(s). 	<ul style="list-style-type: none"> Development of 2 PIP's that are rated as active and meet EQRO standards Committee Minutes 	Eri Tsujii	June 2024	
DMC	PIP	33	BHRS will continue to work on two on-going Performance Improvement Projects (PIP) for the DMC-ODS.	<ul style="list-style-type: none"> Continue with second year of current clinical and non-clinical BHQIP PIPs (FUA and POD) Analyze data to measure progress on the clinical and non-clinical PIPs. Ensure that PIPs meet both EQRO and BHQIP requirements. Identify additional interventions to address the identified problem(s). 	<ul style="list-style-type: none"> Development of 2 PIP's that are rated as active and meet EQRO standards Committee Minutes 	Eri Tsujii Clara Boyden	June 2024
