IHSS Caregiver Training

Digital Literacy Training Course

For IHSS Workers Interested in CCA Caregiver Classes

Enrolling Now for Classes That Begin in June 2026!

Learn basic computer skills to help you navigate the internet and e-learning!

Training includes using the Blackboard online platform, conducting Google searches, exploring websites & more!
Gain skills in digital devices, Zoom meetings, emails, and digital safety.

Digital Literacy Training:

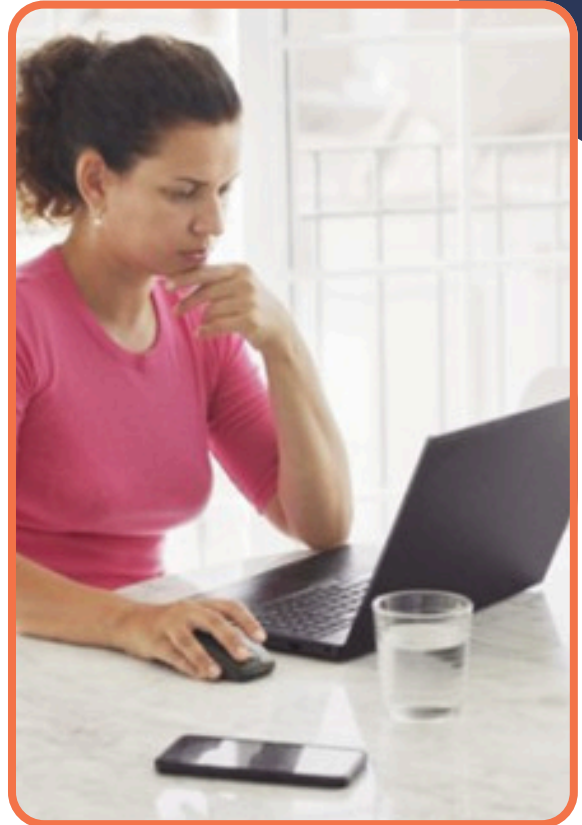

3 weeks, once per week for 2 Hrs and 40 mins

Available in: English & Spanish

Eligibility: IHSS caregivers who experience technical difficulties or have previously dropped CCA's online classes due to limited technology experience.

Must reside in: Los Angeles, San Mateo, San Francisco, or Santa Clara County

NOTE: Students who successfully complete all of the classes and requirements will receive a free digital device at the end of the program.
