RE: Your Child's Disenrollment from the Healthy Kids Program

Your child will be disenrolled from the Healthy Kids program effective June 30, 2016. This is because your child will become eligible for Full Scope Medi-Cal benefits under a new law.

The State of California passed a law that will allow all children ages 18 and under, with household income under 266% of the Federal Poverty Level (for a family of 4, this is \$64,512 annual gross income), and regardless of immigration status, to receive Full Scope Medi-Cal benefits. The law will go into effect no earlier than May 1, 2016. Based on our records, your child will be eligible for Full Scope Medi-Cal and will no longer be eligible for the Healthy Kids program. With Full Scope Medi-Cal coverage, **your child will be able to receive full medical, dental, vision and mental health services under the Medi-Cal program.** In mid-April, you should receive more information from the State regarding this transition.

If your child is active on Restricted Scope Medi-Cal at the time of the transition, he or she will be automatically enrolled in the Full Scope Medi-Cal program. Most of our Healthy Kids members are already receiving Restricted Scope Medi-Cal. If you are not sure if your child is active on Restricted Scope Medi-Cal, you can call the Human Services Agency at 1-800-223-8383, or the Health Coverage Unit at 650-616-2002, to find out.

**If your child is NOT enrolled in Restricted Medi-Cal, it is very important that you apply right away.** You can apply for Restricted Medi-Cal with a Certified Enrollment Counselor or a Medi-Cal Benefits Analyst. Please call 650-616-2002 if you would like help with the application. If you have already applied for Restricted Medi-Cal, you can check on the status of your application by the Human Services Agency at 1-800-223-8383, or the Health Coverage Unit at 650-616-2002.

If your child is already enrolled in Restricted Medi-Cal, please make sure you remain active on Restricted Medi-Cal. For example, if it is time for your Medi-Cal renewal, be sure to complete all of the paperwork.

If it is June 1, 2016 or later and your child was discontinued from Healthy Kids,, you can appeal your Healthy Kids termination using the appeal form below. If you want free legal help with your appeal, you can call the Legal Aid Society of San Mateo County at **1-650-558-0915 or toll free at 1-800-381-8898.**

If you have any questions, please call us at 650-616-2002.

Sincerely,

San Mateo County Health Coverage Unit

I disagree with the discontinuance from the Healthy Kids Program. The reason I disagree is:
