

Homeless Services During the Covid-19 Health Emergency

WHAT ARE THE COUNTY'S PLANS FOR THOSE SEEKING SHELTER?

In response to the COVID-19 public health crisis, the San Mateo County Human Services Agency (HSA), in collaboration with the County Emergency Operations Center, is increasing homeless shelter capacity for those experiencing homelessness. In addition, County Health is providing guidance to ensure new shelters comply with social distancing guidelines and have safety protocols in place.

HOW DO UNSHELTERED RESIDENTS ACCESS HOMELESS SERVICES?

Anyone experiencing homelessness and seeking shelter should contact one of the Core Service Agencies listed below. While immediate access to a shelter bed may not be available, the Core Service Agencies are the centralized entry point for homeless services and those eligible will be placed on the Shelter Request List and contacted when a bed is available.
